

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Les Puissances signataires sont d'accord pour recommander l'application, dans les circonstances qui le permettent, d'une Médiation spéciale sous la forme suivante.

The Signatory Powers are agreed in recommending the application, when circumstances allow, of special mediation in the following form:—

Choosing mediators. Authority.

ARTICLE 9.

Dans les litiges d'ordre international n'engageant ni l'honneur ni des intérêts essentiels et provenant d'une divergence d'appréciation sur des points de fait, les Puissances signataires jugent utile que les Parties qui n'auraient pu se mettre d'accord par les voies diplomatiques instituent, en tant que les circonstances le permettront, une Commission internationale d'enquête chargée de faciliter la solution de ces litiges en éclaircissant, par un examen impartial et consciencieux, les questions de fait.

In differences of an international nature involving neither honour nor vital interests, and arising from a difference of opinion on points of fact, the Signatory Powers recommend that the parties, who have not been able to come to an agreement by means of diplomacy, should as far as circumstances allow, institute an International Commission of Inquiry, to facilitate a solution of these differences by elucidating the facts by means of an impartial and conscientious investigation.

ARTICLE LIII.

Announcing award.

ARTICLE 54.

La sentence arbitrale, dûment prononcée et notifiée aux agents des Parties en litige décide définitivement et sans appel la contestation.

ARTICLE LIV.

The award, duly pronounced and notified to the agents of the parties at variance, puts an end to the dispute definitely and without appeal.

Finality of award.

ARTICLE 55.

Les Parties peuvent se réserver dans le compromis de demander la revision de la sentence arbitrale.

Dans ce cas et sauf convention contraire, la demande doit être adressée au Tribunal qui a rendu la sentence. Elle ne peut être motivée que par la découverte d'un fait nouveau qui eût été de nature à exercer une influence décisive sur la sentence et qui, lors de la clôture des débats, était inconnu du tribunal lui-même et de la Partie qui a demandé la revision.

ARTICLE LV.

The parties can reserve in the "Compromis" the right to demand the revision of the award.

In this case, and unless there be an agreement to the contrary, the demand must be addressed to the Tribunal which pronounced the award. It can only be made on the ground of the discovery of some new fact calculated to exercise a decisive influence on the award, and which, at the time the discussion was closed, was unknown to the Tribunal and to the party demanding the revision.

Right of revision.

Grounds for revision.

Proceedings.

La procédure de revision ne peut être ouverte que par une décision du Tribunal constatant expressément l'existence du fait nouveau, lui reconnaissant les caractères prévus par le paragraphe précédent et déclarant à ce titre la demande recevable.

Le compromis détermine le délai dans lequel la demande de revision doit être formée.

Proceedings for revision can only be instituted by a decision of the Tribunal expressly recording the existence of the new fact, recognizing in it the character described in the foregoing paragraph, and declaring the demand admissible on this ground.

The "Compromis" fixes the period within which the demand for revision must be made.

ARTICLE 56.

Parties bound by award.

La sentence arbitrale n'est obligatoire que pour les Parties qui ont conclu le compromis.

Right of other Powers to intervene.

Lorsqu'il s'agit de l'interprétation d'une convention à laquelle ont participé d'autres Puissances que les Parties en litige, celles-ci notifient aux premières le compromis qu'elles ont conclu. Chacune de ces Puissances a le droit d'intervenir au procès. Si une ou plusieurs d'entre elles ont profité de cette faculté, l'interprétation contenue dans la sentence est également obligatoire à leur égard.

ARTICLE LVI.

The award is only binding on the parties who concluded the "Compromis."

When there is a question of interpreting a Convention to which Power other than those concerned in the dispute are parties, the latter notify to the former the "Compromis" they have concluded. Each of these Powers has the right to intervene in the case. If one or more of them avail themselves of this right, the interpretation contained in the award is equally binding on them.

ARTICLE 57.

Expenses.

Chaque Partie supporte ses propres frais et une part égale des frais du Tribunal.

ARTICLE LVII.

Each party pays its own expenses and an equal share of those of the Tribunal.

Dispositions générales.

July 29, 1899.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

Whereas a Convention with respect to the laws and customs of war on land was concluded and signed on July 29, 1899, by the Plenipotentiaries of the United States of America, Germany, Austria-Hungary, Belgium, Denmark, Spain, Mexico, France, Great Britain and Ireland, Greece, Italy, Japan, Luxembourg, Montenegro, the Netherlands, Persia, Portugal, Roumania, Russia, Servia, Siam, Sweden and Norway, Turkey, and Bulgaria, the original of which Convention, in the French language, is word for word as follows:

Preamble.

[Translation.]

CONVENTION WITH RESPECT TO THE
LAWS AND CUSTOMS OF WAR ON
LAND.

CONVENTION CONCERNANT LES LOIS
ET COUTUMES DE LA GUERRE SUR
TERRE.

Sa Majesté l'Empereur d'Allemagne, Roi de Prusse; Sa Majesté l'Empereur d'Autriche, Roi de Bohême etc. et Roi Apostolique de Hongrie; Sa Majesté le Roi des Belges; Sa Majesté le Roi de Danemark; Sa Majesté le Roi d'Espagne et en Son Nom Sa Majesté la Reine-Régente du Royaume; le Président des Etats-Unis d'Amérique; le Président des Etats-Unis Mexicains; le Président de la République Française; Sa Majesté la Reine du Royaume-Uni de la Grande Bretagne et d'Irlande, Impératrice des Indes; Sa Majesté le Roi des Hellènes; Sa Majesté le Roi d'Italie; Sa Majesté l'Empereur du Japon; Son Altesse Royale le Grand-Duc de Luxembourg, Duc de Nassau; Son Altesse le Prince de Monténégro; Sa Majesté la Reine des Pays-Bas;

Contracting parties.

negro; Her Majesty the Queen of the Netherlands; His Imperial Majesty the Shah of Persia; His Majesty the King of Portugal and of the Algarves etc.; His Majesty the King of Roumania; His Majesty the Emperor of all the Russias; His Majesty the King of Servia; His Majesty the King of Siam; His Majesty the King of Sweden and Norway; His Majesty the Emperor of the Ottomans and His Royal Highness the Prince of Bulgaria.

Purposes of convention.

Considering that, while seeking means to preserve peace and prevent armed conflicts among nations, it is likewise necessary to have regard to cases where an appeal to arms may be caused by events which their solicitude could not avert;

Animated by the desire to serve, even in this extreme hypothesis, the interests of humanity and the ever increasing requirements of civilization;

Thinking it important, with this object, to revise the laws and general customs of war, either with the view of defining them more precisely, or of laying down certain limits for the purpose of modifying their severity as far as possible;

Inspired by these views which are enjoined at the present day, as they were twenty-five years ago at the time of the Brussels Conference in 1874, by a wise and generous foresight;

Have, in this spirit, adopted a great number of provisions, the object of which is to define and govern the usages of war on land.

In view of the High Contracting Parties, these provisions, the wording of which has been inspired by the desire to diminish the evils of war so far as military necessities permit, are destined to serve as general rules of conduct for belligerents in their relations with each other and with populations.

It has not, however, been possible to agree forthwith on provisions

Sa Majesté Impériale le Schah de Perse; Sa Majesté le Roi de Portugal et des Algarves etc.; Sa Majesté le Roi de Roumanie; Sa Majesté l'Empereur de Toutes les Russies; Sa Majesté le Roi de Serbie; Sa Majesté le Roi de Siam; Sa Majesté le Roi de Suède et de Norvège; Sa Majesté l'Empereur des Ottomans et Son Altesse Royale le Prince de Bulgarie

Considérant que, tout en recherchant les moyens de sauvegarder la paix et de prévenir les conflits armés entre les nations, il importe de se préoccuper également du cas où l'appel aux armes serait amené par des événements que Leur sollicitude n'aurait pu détourner;

Animés du désir de servir encore, dans cette hypothèse extrême, les intérêts de l'humanité et les exigences toujours progressives de la civilisation;

Estimant qu'il importe, à cette fin, de reviser les lois et coutumes générales de la guerre, soit dans le but de les définir avec plus de précision, soit afin d'y tracer certaines limites destinées à en restreindre autant que possible les rigueurs;

S'inspirant de ces vues recommandées aujourd'hui, comme il y a vingt-cinq ans, lors de la Conférence de Bruxelles de 1874, par une sage et généreuse prévoyance;

Ont, dans cet esprit, adopté un grand nombre de dispositions qui ont pour objet de définir et de régler les usages de la guerre sur terre.

Selon les vues des Hautes Parties contractantes, ces dispositions, dont la rédaction a été inspirée par le désir de diminuer les maux de la guerre, autant que les nécessités militaires le permettent, sont destinées à servir de règle générale de conduite aux belligérants, dans leurs rapports entre eux et avec les populations.

Il n'a pas été possible toutefois de concerter dès maintenant des

embracing all the circumstances which occur in practice.

On the other hand, it could not be intended by the High Contracting Parties that the cases not provided for should, for want of a written provision, be left to the arbitrary judgment of the military Commanders.

Until a more complete code of the laws of war is issued, the High Contracting Parties think it right to declare that in cases not included in the Regulations adopted by them, populations and belligerents remain under the protection and empire of the principles of international law, as they result from the usages established between civilized nations, from the laws of humanity, and the requirements of the public conscience;

They declare that it is in this sense especially that Articles I and II of the Regulations adopted must be understood;

The High Contracting Parties, desiring to conclude a Convention to this effect, have appointed as their Plenipotentiaries, to-wit:—

His Majesty the Emperor of Germany, King of Prussia: His Excellency Count de Munster, Prince of Derneburg, His Ambassador at Paris.

His Majesty the Emperor of Austria, King of Bohemia, etc., and Apostolic King of Hungary: His Excellency Count R. de Welsersheimb, His Ambassador Extraordinary and Plenipotentiary; Mr. Alexander Okolicsanyi d'Okolicsna, His Envoy Extraordinary and Minister Plenipotentiary at The Hague.

His Majesty the King of the Belgians: His Excellency Mr. Auguste Beernaert, His Minister of State, President of the Chamber of Representatives; Count de Grelle Rogier, His Envoy Extraordinary and Minister Plenipotentiary at The Hague; the Chevalier Descamps, Senator.

His Majesty the King of Denmark: His Chamberlain Fr. E. de

stipulations s'étendant à toutes les circonstances qui se présentent dans la pratique.

Dans le même cas, leur propre Gouvernement est tenu de n'exiger ni accepter d'eux aucun service contraire à la parole donnée.

*Parcels-post Convention between the United States of America and
New Zealand.*

February 12, 1900.
April 18, 1900.

For the purpose of making better postal arrangements between the United States of America and New Zealand, the undersigned, Charles Emory Smith, Postmaster General of the United States of America, and Joseph George Ward, Postmaster General of New Zealand, by virtue of authority vested in them, have agreed upon the following articles for the establishment of a parcels-post system of exchanges between the United States and New Zealand.

Preamble.

ARTICLE I.

The provisions of this Convention relate only to parcels of mail matter to be exchanged by the system herein provided for, and do not affect the arrangements now existing under the Universal Postal Union Convention, which will continue as heretofore; and all the agreements hereinafter contained apply exclusively to mails exchanged under these articles.

Extent of convention.

ARTICLE II.

1. There shall be admitted to the mails exchanged under this Convention articles of merchandise and mail matter—except letters, postcards, and written matter—of all kinds that are admitted under any conditions to the domestic mails of the country of origin, except that no packet may exceed eleven pounds (or five kilograms) in weight, nor the following dimensions: Greatest length in any direction, three feet six inches; greatest length and girth combined, six feet; and must be so wrapped or enclosed as to permit their contents to be easily examined by Postmasters and Customs officers; and except that the following articles are prohibited admission to the mails exchanged under this Convention:—

Articles admitted to the mails.

Publications which violate the copyright laws of the country of destination; poisons, and explosive or inflammable substances; fatty substances, liquids and those which easily liquefy, confections and pastes; live or dead animals, except dead insects and reptiles when thoroughly dried; fruits and vegetables which easily decompose, and substances which exhale a bad odor; lottery tickets, lottery advertisements, or lottery circulars; all obscene or immoral articles; articles which may in any way damage or destroy the mails or injure the persons handling them.

Articles prohibited.

2. All admissible articles of merchandise mailed in one country for the other, or received in one country from the other, shall be free from any detention or inspection whatever, except such as is required for collection of Customs duties, and shall be forwarded by the most speedy means to their destination, being subject in their transmission to the laws and regulations of each country respectively.

Freedom from inspection.

ARTICLE III.

Letters must not accompany parcels.

Rejection.

Address.

1. A letter or communication of the nature of personal correspondence must not accompany, be written on, or enclosed with any parcel.

2. If such be found, the letter will be placed in the mails if separable, and if the communication be inseparably attached, the whole package will be rejected. If, however, any such should inadvertently be forwarded, the country of destination will collect double rates of postage according to the Universal Postal Union Convention.

3. No parcel may contain packages intended for delivery at an address other than that borne by the parcel itself. If such enclosed packages be detected, they must be sent forward singly, charged with new and distinct Parcel-Post rates.

ARTICLE IV.

Rates of postage.

1. The following rates of postage shall in all cases be required to be *fully prepaid* with postage stamps of the country of origin, viz:—

2. In the United States, for a parcel not exceeding one pound in weight, twelve cents; and for each additional pound, or fraction of a pound, twelve cents.

3. In New Zealand, for a parcel not exceeding one pound in weight, sixpence; and for each additional pound, or fraction of a pound, sixpence.

Delivery.

4. The parcels shall be promptly delivered to addressees at the post-offices of address in the country of destination free of charge for postage; but the country of destination may, at its option, levy and collect from the addressee for interior service and delivery a charge the amount of which is to be fixed according to its own regulations, but which shall in no case exceed five cents (or two and one-half pence) for each parcel, whatever its weight.

ARTICLE V.

Receipt.

1. The sender will, at the time of mailing the package, receive a certificate of mailing from the post-office where the package is mailed on a form like Form 1 annexed hereto.

Registry.

2. The sender of a package may have the same registered in accordance with the regulations of the country of origin.

Return receipt.

3. An acknowledgment of the delivery of a registered article shall be returned to the sender when requested; but either country may require of the sender prepayment of a fee therefor not exceeding five cents.

Notice to addressee.

4. The addressees of registered articles shall be advised of the arrival of a package addressed to them, by a notice from the post-office of destination.

ARTICLE VI.

Customs declaration.

1. The sender of each parcel shall make a Customs declaration, pasted upon or attached to the package, upon a special form provided for the purpose (see Form 2 annexed hereto) giving a general description of the parcel, an accurate statement of its contents and value, date of mailing, and the sender's signature and place of residence, and place of address.

Collection of duties.

2. The parcels in question shall be subject in the country of destination to all Customs duties and all Customs regulations in force in that country for the protection of its Customs revenues; and the Customs duties properly chargeable thereon shall be collected on delivery, in accordance with the Customs regulations of the country of destination; but neither sender nor addressee shall be subject to the payment of

any charge for fines or penalties on account of failure to comply with any Customs regulation.

ARTICLE VII.

Each country shall retain to its own use the whole of the postages, registration and delivery fees it collects on said parcels; consequently this Convention will give rise to no separate accounts between the two countries.

Fees to be retained.

ARTICLE VIII.

1. The parcels shall be considered as a component part of the mails exchanged *direct* between the United States and New Zealand to be despatched to destination by the country of origin at its cost and by such means as it provides; but must be forwarded, at the option of the despatching office, either in boxes prepared expressly for the purpose or in ordinary mail sacks, marked "Parcels-Post," and securely sealed with wax or otherwise, as may be mutually provided by regulations hereunder.

Transportation.

2. Unless otherwise mutually agreed upon, each country shall promptly return *empty* to the despatching office by next mail all such bags and boxes.

Return of sacks, etc.

3. Although articles admitted under this Convention will be transmitted as aforesaid between the exchange offices, they should be so carefully packed as to be safely transmitted in the open mails of either country, both in going to the exchange office in the country of origin and to the office of address in the country of destination.

Packing.

4. Each despatch of a Parcels-Post mail must be accompanied by a descriptive list, in duplicate, of all the parcels sent, showing distinctly the list number of each parcel, the name of the sender, the name of the addressee with address of destination, and the declared contents and value; and must be enclosed in one of the boxes or sacks of such despatch (see Form 3 annexed hereto).

Descriptive list.

ARTICLE IX.

Exchanges of mails under this Convention from any place in either country to any place in the other shall be effected through the post-offices of both countries already designated as exchange post-offices, or through such others as may be hereafter agreed upon; under such regulations relative to the details of the exchange as may be mutually determined to be essential to the security and expedition of the mails and the protection of the customs revenues.

Exchange offices.

ARTICLE X.

1. As soon as the mail shall have reached the office of destination, that office shall check the contents of the mail.

Receipt of mail.

2. In the event of the parcel bill not having been received, a substitute should be at once prepared.

Parcel bill.

3. Any errors in the entries on the parcel bill which may be discovered should, after verification by a second officer, be corrected and noted for report to the despatching office on a form "Verification Certificate," which should be sent in a special envelope.

Errors.

4. If a parcel advised on the bill be not received, after the non-receipt has been verified by a second officer, the entry on the bill should be canceled and the fact reported at once.

Non-receipt of parcels.

5. If a parcel be observed to be insufficiently prepaid, it must not be taxed with deficient postage, but the circumstance must be reported on the verification certificate form.

Insufficient postage.

Damaged parcels.

6. Should a parcel be received in a damaged or imperfect condition, full particulars should be reported on the same form.

Correct mails.

7. If no verification certificate or note of error be received, a parcel mail shall be considered as duly delivered, having been found on examination correct in all respects.

ARTICLE XI.

Failure to deliver.

1. If a parcel can not be delivered as addressed, or is refused, it must be returned without charge directly to the despatching office of exchange, at the expiration of thirty days from its receipt at the office of destination; and the country of origin may collect from the sender for the return of the parcel a sum equal to the postage when first mailed.

Disposal of perishable articles.

2. When the contents of a parcel which can not be delivered are liable to deterioration or corruption, they may be destroyed at once if necessary, or, if expedient, sold, without previous notice or judicial formality, for the benefit of the right person, the particulars of each sale being noticed by one post-office to the other.

Return postage orders for reforwarding.

3. An order for redirection or reforwarding must be accompanied by the amount due for postage necessary for the return of the article to the office of origin, at the ordinary parcel rates.

ARTICLE XII.

No responsibility for loss, etc.

The Post Office Department of either of the contracting countries will not be responsible for the loss or damage of any parcel, and consequently no indemnity can be claimed by the sender or addressee in either country.

ARTICLE XIII.

Further regulations.

The Postmaster General of the United States of America and the Postmaster General of New Zealand shall have authority to jointly make such further regulations of order and detail as may be found necessary to carry out the present Convention from time to time; and may, by agreement, prescribe conditions for the admission to the mails of any of the articles prohibited by Article II of this Convention.

ARTICLE XIV.

Duration, etc.

This Convention shall take effect, and operations thereunder shall begin, on the first day of July, 1900; and shall continue in force until terminated by mutual agreement, but may be annulled at the desire of either Department, upon six months' previous notice given to the other.

DAVID J. HILL,

Acting Secretary of State.

June 20, 1901.
October 12, 1901.*Convention for the exchange of money orders between the United States of North America and the Republic of Bolivia.*

Preamble.

The Post Office Department of the United States and the Postal Administration of the Republic of Bolivia being desirous of establishing a system of exchange of Postal Money Orders between the two countries, the undersigned, Dr. GEORGE H. BRIDGMAN, for the United States of America, and Dr. FEDERICO DIEZ DE MEDINA for the Republic of Bolivia, duly authorized for that purpose, have agreed upon the following articles:

ARTICLE I.

Exchange of money orders.

There shall be a regular exchange of Money Orders between the two countries.

ARTICLE II.

To be expressed in United States money.

The amounts of Orders in both directions shall be expressed in United States money; and on account of the frequent fluctuations of the rate of exchange between the two countries, it is agreed that all amounts shall be converted into their proper equivalents by the Post Office Department of Bolivia; that is to say, the sums received by the postal administration of Bolivia for Orders drawn on the United States, shall be converted at the time of issue into United States money, at the current rate of exchange, and the amounts of Orders drawn in the United States on Bolivia shall in like manner be rendered by the postal administration of Bolivia into the currency of Bolivia at the current rate of exchange on the day of the arrival of the list described in Article IX.

ARTICLE III.

Maximum amount.

1. The maximum of each Order is fixed at one hundred dollars (\$1⁰⁰).
2. No Money Order shall include a fractional part of a cent.

ARTICLE IV.

Payment in legal money, etc.

The amounts of Money Orders shall be deposited by the remitters and paid to the payees in gold coin, or in other legal money of the same current value. However, in case there should be in circulation in either country a paper currency of legal tender but of less value than gold, the Administration of that country shall have the right to receive and employ the same in its relations with the public taking into account the difference of value.

ARTICLE V.

Rates of fees.

1. The Bolivian Post Department shall have power to fix the rates of fees paid by the public on all Money Orders issued in Bolivia, and the Post Office Department of the United States shall have the same power in regard to all Money Orders issued in the United States.

2. Each country shall communicate from time to time to the other its tariff of charges (fees paid by the public), which shall be established under this convention, and these rates shall in all cases be payable in advance by the remitters, and shall not be repayable.

Fees payable in advance.

3. It is understood, moreover, that each country is authorized to suspend, temporarily, the exchange of Money Orders should circumstances give rise to abuses or cause detriment to the postal revenue.

Temporary suspension of money orders

ARTICLE VI.

Each country shall keep the fees paid by the public charged on all Money Orders issued within its jurisdiction.

Fees to be retained.

ARTICLE VII.

The service of the Postal Money Order System between the two countries shall be performed exclusively by the agency of offices of exchange. On the part of the United States the office of exchange shall be New York, N. Y., and on the part of Bolivia, La Paz.

Offices of exchange.

ARTICLE VIII.

No Money Order shall be issued unless the applicant furnish the name and address of the person to whom the amount is to be paid, and his own name and address; or the name of the firm or company who are the remitters or payees, together with the addresses of each.

Names and address.

ARTICLE IX.

1. The particulars of all Money Orders drawn in the United States upon Bolivia shall be entered at the Exchange Office New York, N. Y., in a list similar to the form marked "A" (in the Appendix) in which shall be shown the amount of each order in United States money, which list after having received the impression of the New York dating stamp, shall be forwarded to the Exchange Post Office of Bolivia, where it shall be impressed with the date stamp of that office, and where the requisite arrangement for effecting payment of the Orders shall be carried out.

Lists.

2. In like manner the particulars of Money Orders drawn in Bolivia upon the United States shall be entered at the Exchange Office at La Paz in a list similar to the form marked "B" (in the Appendix) in which shall be shown the amount of each in the money of both countries, which list after having received the impression of the dating stamp of that office, shall be forwarded to the Exchange Office at New York, N. Y., where it shall receive the impression of the dating stamp in use in that office, and where the necessary arrangements for effecting payment of the orders shall be carried out.

3. Each list, as well as the entries in the lists dispatched shall be numbered consecutively 1, 2, 3, 4, 5, etc., in the order of dispatch, commencing on July 1st of each calendar year, and the receipt of each list shall be acknowledged on either side, by means of the first subsequent list forwarded in the opposite direction.

To be numbered.

4. Such a list shall be transmitted by each mail dispatched from Bolivia to the port of New York, and *vice versa*, and of each list dispatched a duplicate shall be sent by the following mail.

Duplicates, etc.

5. Should it happen that, on the day when the list is to be dispatched, there are no orders to be certified for payment, the list must nevertheless be sent. But, in that event, the Exchange Office will write across the list the words: "*No Money Orders.*"

6. Should any list, or the duplicate thereof, fail to be received in

due course, the despatching Exchange Office, on receiving information to that effect shall transmit without delay a duplicate or triplicate of the list duly certified as such.

ARTICLE X.

Receipt of list from
despatching office, etc.

1. As soon as the list of the despatching office shall have reached the receiving office of exchange, the latter shall reissue Money Orders in favor of the payees for the amounts specified in the list, and shall forward them free of postage to the addresses or to the offices of destination, in conformity with the regulations in each country for the payment of Money Orders.

2. When the lists shall show irregularities which the receiving office shall not be able to rectify, that office shall demand an explanation with as little delay as possible. Pending the receipt of the explanation the reissue of Money Orders of payment relating to the entries found to be erroneous in the list should be suspended.

3. One copy of each exchange list shall be returned by the receiving office of exchange to the despatching office, but before returning such copy, the receiving exchange office shall enter therein the names of the respective offices of payment of the orders enumerated in the list, and, in the lists from the United States, returned by the Exchange Office at La Paz, the latter office shall also enter the amount of each Order in the money of Bolivia according to the conversion made by it.

ARTICLE XI.

Orders subject to
regulations governing
domestic orders.

1. The Orders issued by each country on the other shall be subject, as regards payment, to the regulations which govern the payment of Domestic Money Orders in the country on which they are drawn.

2. The paid orders shall remain in the possession of the country of payment.

ARTICLE XII.

Errors.

When it is desired that any error in the name of the remitter or payee shall be corrected, or that the amount of a Money Order shall be repaid to the remitter, application must be made by the remitter to the postal administration by which the order was issued.

ARTICLE XIII.

Duplicates.

Duplicate orders shall only be issued by the postal administration of the country in which the original orders were payable and in conformity with the regulations established or to be established in that country.

ARTICLE XIV.

Repayment.

1. Repayment of orders to remitters shall not be made until an authorization for such repayment shall first have been obtained by the country of issue from the country where such orders are payable, and the amounts of the repaid orders shall be duly credited to the former country in the quarterly account. (Article XVI.).

2. It is the province of each postal administration to determine the manner in which repayment to remitters is to be made.

ARTICLE XV.

Orders not paid
within twelve months
void, etc.

1. Orders which shall not have been paid within twelve calendar months from the month of issue shall become void, and the sums received shall accrue to and be at the disposal of the country of origin.

2. The Bolivian Postal Administration shall therefore, enter to the credit of the United States in the quarterly account all, Money Orders entered in the lists received from the United States which remain unpaid at the end of the period specified (Article XVI.)

3. On the other hand the Post Office Department of the United States shall, at the close of each month, transmit to the Bolivian Postal Administration, for entry in the quarterly account, a detailed statement of all Orders included in the lists dispatched from the latter office which under this article become void.

ARTICLE XVI.

1. At the close of each quarter an account shall be prepared by the Postal Administration of Bolivia showing in detail the totals of the lists containing the particulars of Orders issued in either country during the quarter, and the balance resulting from such transactions.

Quarterly accounts.

2. Two copies of this account shall be transmitted to the Post Office Department of the United States at Washington, and the balance, after proper verification, shall, if due by the Post Office Department of the United States be paid at La Paz, but if due by the Bolivian Postal Administration it shall be paid in New York, and in the money of the country to which the payment is made.

3. Payments may also be made in money or by drafts, or by bills of exchange on points other than La Paz or New York, by mutual agreement between the two Departments.

Payments.

ARTICLE XVII.

1. If pending the settlement of an account one of the two postal administrations shall ascertain that it owes the other a balance exceeding one thousand dollars (\$1,000), the indebted administration shall promptly remit the approximate amount of such balance to the credit of the other, but nothing herein contained shall prevent such administration from remitting a lesser amount than one thousand dollars (\$1,000) at discretion. This account and the letters which accompany such intermediate remittances shall be in accordance with the forms ("C") ("D") ("E") ("F") annexed to this Convention.

Remittance of balance.

2. If payment by the debtor administration be not made within a period of three months from the time such balance accrues, the creditor administration shall have the right to demand and receive interest thereon.

ARTICLE XVIII.

1. The postal administration in each country shall be authorized to adopt any additional rules (if not repugnant to the foregoing), for greater security against fraud, or for the better working of the system generally.

Additional rules.

2. All such additional rules however, must be promptly communicated to the Post Office Department of the other country.

ARTICLE XIX.

Each administration is authorized in extraordinary circumstances that would justify the measure, to suspend temporarily the Money Order service in whole or in part upon condition of giving notice of such suspension immediately to the other country, and if deemed necessary, by means of the telegraph.

Temporary suspension of service.

ARTICLE XX.

Duration of Conven-
tion.

This present Convention shall take effect on the first day of December of 1901, and shall continue in force until twelve months after either of the contracting parties shall have notified to the other its intention to terminate it.

Amended Convention between the Post Office Department of the Dominion of Canada and the Post Office Department of the United States of America, for the purpose of facilitating the exchange of postal money orders, to take the place of the Amended Convention signed May 29—June 4, 1880.

September 30, 1901.
October 3, 1901.

The Post Office Department of the Dominion of Canada and the Post Office Department of the United States of America being desirous of amending the system of exchange of Money Orders between the two countries, the undersigned, duly authorized for that purpose, have agreed upon the following articles amending the existing Convention.

Preamble.
Vol. 20, p. 678.

ARTICLE I.—*Issue.*

The transfer of sums of money may be made by means of Postal Money Orders from the Dominion of Canada to the United States, and from the United States to the Dominion of Canada.

Exchange of money orders.

ARTICLE II.—*Form, maximum, etc.*

Form, maximum, etc.

SEC. 1. The Money Orders issued in the Dominion of Canada for payment in the United States shall conform, as nearly as practicable, to model "A" hereto annexed, and the Money Orders issued in the United States for payment in the Dominion of Canada shall, in like manner, conform to model "B," also hereto annexed.

SEC. 2. Each Order shall be delivered to the remitter thereof, to be forwarded by him at his own expense to the payee.

SEC. 3. In filling up the Money Order and Advice the writing must be in the English language, and in Roman letters and Arabic numerals, without alteration or obliteration, and no Order shall contain a fraction of a cent.

SEC. 4. The maximum amount of each Money Order is fixed at one hundred dollars.

ARTICLE III.—*Transmittal of paid orders as basis of settlement.*

Transmittal of paid orders as basis of settlement.

SEC. 1. On the 1st, 9th, 16th and 23d of each month (on the next succeeding day if such date falls on Sunday,) each Administration shall make out in duplicate, and forward a certified list of all Money Orders issued by the other Administration, which have been paid by and received from its inland offices and examined up to the date upon which such lists are prepared.

SEC. 2. These lists must exhibit in detail, and in alphabetical order, by States or Provinces as the case may be, the names of the issuing offices, the serial numbers printed on the Orders, and the amount of each Order. The sum total of each sheet of paid Orders must be stated in a summary attached to the lists.

SEC. 3. The lists shall be numbered consecutively throughout the fiscal year, beginning with number one on the 1st of July, and ending with the last number included in the business of the year.

SEC. 4. One copy of each of the lists shall be transmitted on the part of Canada to the Auditor for the Post Office Department, at Washington, D. C., and, in like manner, on the part of the United States, to the Superintendent of the Money Order Branch, Ottawa, Ontario.

SEC. 5. Every paid Order shall accompany the list on which it is entered, and both lists and paid Orders shall be forwarded under registered cover.

SEC. 6. Each Department shall promptly acknowledge to the other the receipt of every list, and shall, as soon after its receipt as possible, give notice of any errors which may be discovered therein.

SEC. 7. If at any time the packet containing the paid Money Orders, transmitted by one Administration to the other, be lost while in transit by mail, it is agreed that a certified copy of the lists shall, within a reasonable time, be accepted by the other Administration as a satisfactory voucher and evidence of payment of the Orders described therein which have been lost or destroyed.

Currency.

ARTICLE IV.—*Currency.*

In the exchange of Money Orders between the two countries, one dollar in Canadian money shall be taken as the equivalent of one dollar in United States money.

This standard in either country shall be gold value.

Fees.

ARTICLE V.—*Fees.*

SEC. 1. A fee, to be fixed by the country of origin, shall be collected from the remitter upon each sum of money transmitted under this Convention.

SEC. 2. Each Administration shall communicate to the other the tariff or schedule of the fees to be established by it under the provisions of this article, and also any subsequent change therein.

SEC. 3. The person entitled to payment of a Money Order issued in pursuance of this Convention shall not be subjected, under any pretext whatever, to any commission or tax on account of the payment of such Order.

SEC. 4. Each Postal Administration shall keep the fee which it receives for Money Orders issued within its jurisdiction, and no commission or charge will be made by either Administration for any services performed in connection with the exchange of Money Orders.

Payment, endorsement.

ARTICLE VI.—*Payment, endorsement.*

SEC. 1. Payment of a Money Order in pursuance of this Convention can be exacted only at the paying Post Office named upon the Order, and cannot be exacted until after the receipt by that office of the Advice required by Article VIII hereof, but the Chief Office in either country may, at its discretion, cause a Money Order to be paid at an office other than that named in the Advice.

SEC. 2. Each of the two Administrations reserves the right to authorize the transfer, within its territory, by means of endorsement, of the ownership of Orders originating in the territory of the other.

Lists of offices.

ARTICLE VII.—*Lists of offices.*

SEC. 1. The two Administrations shall designate, each for itself, the Post Offices which are authorized to issue and pay Money Orders under the provisions of this Convention.

SEC. 2. Each administration shall furnish to the other, from time to time, a list of the Post Offices within its jurisdiction authorized to

issue and pay such Orders, and also promptly notify the other of any changes to be made in said list.

SEC. 3. The lists for the United States and Canada shall respectively show the State or Province in which each Money Order office is located.

ARTICLE VIII.—*Advices.*

Advices.

SEC. 1. A Post Office in either country which issues a Money Order payable in the other is required to transmit to the Post Office charged with its payment, by the first mail after the issue thereof, an Advice corresponding in number, date and amount to the Money Order of which it forms a part.

These Advices must be enclosed in envelopes specially provided for the purpose, and are to be carried free from any charge. The address shall include the State or Territory if payable in the United States; and the Province if payable in Canada.

SEC. 2. Each Advice shall express legibly, and in written characters, the following, to wit:

- (a) The name of the issuing office.
- (b) The name of the paying office.
- (c) The amount which is to be paid to the owner of the Order in the country of destination.
- (d) The surname, and the given name or names or at least the initials of the remitter and the payee, as well as the residence of the payee.

It will be sufficient, however, for the purpose, to make use in case of a business house of its business designation, and in case of a corporation, society, or other organization, the ordinary names accorded to such organizations will be sufficient.

SEC. 3. The Advices required by this article shall, if issued in the Dominion of Canada, conform as nearly as practicable to model "A(1)," and, if issued in the United States, to model "B(1)," both of which models are hereto annexed.

ARTICLE IX.—*Duplicate advices.*

Duplicate advices.

SEC. 1. At the request of the paying office a lost or missent Advice will be replaced without delay by a duplicate thereof, issued by the Post Office of original issue.

SEC. 2. Each application for a duplicate Advice shall be made upon a blank conforming or analogous to model "E" hereto annexed.

ARTICLE X.—*Payment, limitation upon correspondence.*

Payment, limitation upon correspondence.

SEC. 1. The Orders drawn by each country upon the other shall be subject as regards payment to the regulations which govern the payment of Domestic Money Orders in the country on which they are drawn.

SEC. 2. With the exception of Advices which are to be addressed and sent direct to the offices of payment by the offices of issue in each country, and ordinary inquiries relating to the exchange of Money Orders between the United States and the Dominion of Canada, no Postmaster is to be permitted to send correspondence to a Postmaster of the other country, excepting through the Chief Offices at Washington and Ottawa.

ARTICLE XI.—*Invalid orders and advices.*

Invalid orders and advices.

SEC. 1. The Money Orders issued in pursuance of this Convention shall be valid until the expiration of twelve months from the last day of the month in which issued.

SEC. 2. After the expiration of that period the Advices of unpaid Orders shall be returned to the Administration of the country of origin accompanied by a detailed statement.

Duplicates.

ARTICLE XII.—*Duplicates.*

Orders lost or destroyed will be replaced by duplicates to be issued by the Administration of the country of origin on the receipt of a request therefor made by the Administration of the country of payment.

Repayments.

ARTICLE XIII.—*Repayments.*

A Money Order, or a duplicate thereof, may be repaid to the remitter upon presentation at the issuing office, but only in case the corresponding Advice is in the possession of the issuing Postmaster. For this purpose, in case the Advice has gone forward, it shall be returned by the paying to the issuing Administration upon the request of the latter. In case of loss of the original Advice a certificate to that effect shall answer the purpose.

Accounts, balances.

ARTICLE XIV.—*Accounts, balances.*

SEC. 1. Within six weeks after the close of each fiscal quarter, two copies of an account shall be prepared, similar to model "F" hereto annexed, and transmitted to the Auditor for the Post Office Department of the United States by the Post Office Department of Canada, exhibiting the balance found due on the exchange of Money Orders during the quarter, one copy of which, after proper verification and acknowledgment, shall be returned to the Post Office Department of the Dominion of Canada. The latter will then send an acknowledgment of receipt to the Post Office Department of the United States.

(a) If this verified account shows a balance in favor of the Post Office Department of Canada, that of the United States will transmit with the verified copy of the quarterly account a bill of exchange or certificate of deposit, payable at Ottawa, Canada, for the amount of said balance to the Post Office Department of the Dominion of Canada. The latter will then send an acknowledgment of receipt to the Post Office Department of the United States.

(b) If, on the other hand, said account, after verification and acknowledgment as aforesaid, shows a balance in favor of the Post Office Department of the United States, then the Post Office Department of the Dominion of Canada will, upon the receipt of the certified copy of the same, transmit to that of the United States a bill of exchange, for the amount thereof, on New York. The United States Post Office Department will then send in return an acknowledgment of receipt.

SEC. 2. If, pending the settlement of an account, one of the two Postal Administrations shall ascertain that it owes the other a balance exceeding ten thousand dollars, the indebted Administration shall promptly remit the approximate amount of such balance to the credit of the other.

SEC. 3. The expense attending the remittance of bills of exchange shall invariably be borne by the Post Office Department by which payment is to be made.

SEC. 4. Payments may also be made in money, or by drafts or bills of exchange on other points than Ottawa and New York, by mutual agreement between the two Departments.

Use of vouchers.

ARTICLE XV.—*Use of vouchers.*

Each Administration agrees to place, temporarily, at the disposal of the other any paid Order, the return of which shall have been requested.

ARTICLE XVI.—*Modifications of details.*

Modifications of details.

The two Postal Administrations may, by mutual agreement, make modifications, if found expedient, in matters of detail connected with the execution of the provisions of this Convention, in order to provide for greater security against fraud, or for the better working of the international system.

ARTICLE XVII.—*Suspension of convention*

Each of the two Administrations is empowered, under extraordinary circumstances, which may be of a nature to warrant the measure, to suspend temporarily the Money Order service between the two countries, provided, however, that notice of such suspension be given to the other Administration immediately, and, if deemed necessary, by means of the telegraph.

Temporary suspension of service.

ARTICLE XVIII.—*In effect.*

The present Convention shall take effect when duly signed, and shall be considered as in force from the first day of July, 1901, and shall remain in force until one year after one of the two contracting parties shall have notified the other of its intention to terminate it. During such fiscal year the Convention shall continue to be fully and entirely executed without prejudice to the adjustment and payment of the accounts after the expiration of the term in question.

Duration of Convention.

Done in duplicate, and signed at Washington on the thirtieth (30th) day of September, in the year 1901, and at Ottawa on the third day of October, in the year 1901.

(For space for reply see other side of this sheet.)

When an Advice is missing the Postmaster drawn on will pass his pen through the space headed "Particulars of Advice," and the issuing Postmaster will fill in and return without delay the Second Advice on the other side of this sheet.

If there is a discrepancy between the Advice and Order or statement of Payee, as to name, amount, etc., the Postmaster receiving this inquiry will carefully examine the application, and if it agrees with the First Advice, he will, if practicable, ascertain from the remitter what correction, if any, is required in the application, and will fill in the Second Advice on the opposite side of this sheet accordingly. If the Order or statement of the Payee agrees with the application in its original form the particulars of the Second Advice should be filled in from that application.

2. When the original and Second Advices agree in naming a larger amount than is indicated in the Order, only the smaller amount should be paid, but the paying Postmaster should report the case, by letter inclosing both Advices, to the First Asst. Postmaster General, so that the latter may direct the issue of an additional Order for the residue.

3. When an Order is paid on a Second Advice, write across the face of the Order the words "Paid in accordance with Second Advice," adding thereto a statement of the amount paid, if it be less than the amount originally indicated in either place on the Order.

Preamble.

Whereas a Treaty between the United States of America and Servia providing for the extradition of fugitives from justice was concluded and signed by their respective Plenipotentiaries at Belgrade on the twenty-fifth (twelfth) day of October, one thousand nine hundred and one, the original of which Treaty, being in the English and Servian languages, is word for word as follows:

The Government of the United States and the Government of Servia mutually agree to deliver up persons who, having been charged with or convicted of any of the crimes and offenses specified in the following article, committed within the jurisdiction of one of the high contracting parties, shall seek an asylum or be found within the territories of the other: Provided, that this shall only be done upon such evidence of criminality as, according to the laws of the place where the fugitive or person so charged shall be found, would justify his or her apprehension and commitment for trial if the crime or offense had been committed there.

ARTICLE II.

The United States adopts, as the basis of the neutralization of such ship canal, the following Rules, substantially as embodied in the Convention of Constantinople, signed the 28th October, 1888, for the free navigation of the Suez Canal, that is to say:

Transit of vessels.

1. The canal shall be free and open to the vessels of commerce and of war of all nations observing these Rules, on terms of entire equality, so that there shall be no discrimination against any such nation, or its citizens or subjects, in respect of the conditions or charges of traffic, or otherwise. Prizes.

Prizes shall be in all respects subject to the same Rules as vessels of war of the belligerents.

Disembarkation of
troops, etc.

4. No belligerent shall embark or disembark troops, munitions of war, or warlike materials in the canal, except in case of accidental hindrance of the transit, and in such case the transit shall be resumed with all possible dispatch.

Adjacent waters.

Time limit of bellig-
erent vessels.

5. The provisions of this Article shall apply to waters adjacent to the canal, within 3 marine miles of either end. Vessels of war of a belligerent shall not remain in such waters longer than twenty-four hours at any one time, except in case of distress, and in such case, shall depart as soon as possible; but a vessel of war of one belligerent shall not depart within twenty-four hours from the departure of a vessel of war of the other belligerent.

Immunity of canal,
etc., from attack or

6. The plant, establishments, buildings, and all works necessary to the construction, maintenance, and operation of the canal shall be deemed to be part thereof, for the purposes of this Treaty, and in time of war, as in time of peace, shall enjoy complete immunity from attack or injury by belligerents, and from acts calculated to impair their usefulness as part of the canal.

PROTOCOLO DE COMPROMISO ENTRE LOS ESTADOS UNIDOS DE AMÉRICA Y LA REPÚBLICA DE MÉXICO PARA LA DECISIÓN DE CIERTAS CUESTIONES SUSCITADAS CON RESPECTO AL LLAMADO "FONDO PIADOSO DE LAS CALIFORNIAS."

Preamble.
The Pious fund of
the Californias.
Vol. 15, p. 679.

Whereas, under and by virtue of the provisions of a convention entered into between the High Contracting Parties above named, of date July 4, 1868, and subsequent conventions supplementary thereto, there was submitted to the Mixed Commission provided for by said Convention, a certain claim advanced by and on behalf of the prelates of the Roman Catholic Church of California against the Republic of Mexico for an annual interest upon a certain fund known as "The Pious Fund of the Californias," which interest was said to have accrued between February 2, 1848, the date of the signature of the Treaty of Guadalupe Hidalgo, and February 1, 1869, the date of the exchange of the ratifications of said Convention above referred to; and

Vol. 9, p. 922.

Whereas, said Mixed Commission, after considering said claim, the same being designated as No. 493 upon its docket, and entitled Thaddeus Amat, Roman Catholic Bishop of Monterey, a corporation sole, and Joseph S. Alemany, Roman Catholic Bishop of San Francisco, a corporation sole, against The Republic of Mexico, adjudged the same adversely to the Republic of Mexico and in favor of said claimants, and made an award thereon of Nine Hundred and

Por cuanto, en virtud de las disposiciones de una Convención ajustada entre las Altas Partes Contratantes arriba mencionadas, con fecha 4 de Julio de 1868, y siguientes convenciones suplementarias de ella, fué sometida a la Comisión Mixta establecida por dicha Convención una reclamación presentada por parte y en favor de los prelados de la Iglesia Católica Romana de California contra la República de México, por réditos anuales de cierto fondo llamado el "Fondo Piadoso de las Californias," los cuales réditos se consideraron devengados desde el 2 de Febrero de 1848, fecha de la firma del tratado de Guadalupe Hidalgo, hasta el 1º de Febrero de 1869, fecha del canje de las ratificaciones de la Convención arriba referida; y

Por cuanto la indicada Comisión Mixta, después de examinar dicha reclamación, que fué señalada en el libro de registro con el número 493 e intitulada "Thaddeus Amat Obispo Católico Romano de Monterrey, por la corporación unitaria que representa, y Joseph S. Alemany Obispo Católico Romano de San Francisco, por la corporación unitaria que representa, contra la Republica de México" decidió la reclamación contra la República de México, y en favor de dichos

Whereas, the United States of America on behalf of said Roman Catholic Bishops, above named, and their successors in title and interest, have since such award claimed from Mexico further instalments of said interest, and have insisted that the said claim was conclusively established, and its amount fixed as against Mexico and in favor of said original claimants and their successors in title and interest under the said first mentioned convention of 1868 by force of the said award as *res judicata*; and have further contended that apart from such former award their claim against Mexico was just, both of which propositions are controverted and denied by the Republic of Mexico, and the High Contracting Parties hereto, animated by a strong desire that the dispute so arising may be amicably, satisfactorily and justly settled, have agreed to submit said controversy to the determination of Arbitrators, who shall, unless otherwise herein expressed, be controlled by the provisions of the International Convention for the pacific settlement of international disputes, commonly known as The Hague Convention, and which arbitration shall have power to determine:

Por cuanto los Estados Unidos de América por los Obispos Católicos Romanos arriba nombrados y sus sucesores con el mismo título e interés han reclamado á México después de dicho laudo los sucesivos vencimientos de dichos réditos y han insistido en que la expresada reclamación fué definitivamente juzgada y su monto fijado en contra de México y a favor de los primitivos reclamantes y de sus sucesores con el mismo título e interés, conforme á la primera Convención mencionada de 1868, en virtud de dicho laudo como *res judicata*; y han sostenido además que independientemente de tal laudo su reclamación contra México era justa; aserciones ambas que han sido controvertidas e impugnadas por la República de México, y las Atlas Partes signatarias de este Compromiso, animadas de un vivo deseo de que la controversia así suscitada sea amigable, satisfactoria y justamente resuelta, han convenido en someter dicha controversia á la decisión de árbitros, quienes se ajustarán en todo lo que no se disponga de otro modo por el presente instrumento, á las prevenciones de la Convención internacional para el arreglo pacífico de controversias internacionales comunmente denominada "Convención de La Haya" y estarán facultados para resolver:

Los árbitros nombrados, como se ha dicho, por cada una de las Altas Partes Contratantes serán dados á conocer por la parte que los nombró á la otra parte dentro de sesenta días que correrán desde la fecha de este protocolo. Ninguno de los árbitros nombrados como se ha dicho será oriundo ó ciudadano de las partes contratantes. El laudo podrá ser pronunciado por mayoría de votos de dicho tribunal. ARTICLE VII.

The two administrations shall communicate to each other the fees which they shall have established and the changes which they may subsequently make therein.

The Postal Orders and the receipts given upon such Orders as well as the receipts to be delivered to the remitters shall not be subjected at the expense of the remitters or the payees of the amounts to any charge or tax whatsoever, in addition to the fees mentioned in sections 1 and 2 of this article.

ARTICLE VII.

The postal administration by which the Money Orders are issued shall credit the administration of the country of payment with the total amount of the Orders which it has certified to the latter, in addition to a commission of one-half of one per cent. on the total amount of such Orders.

ARTICLE VIII.

L'Administration des postes des Etats-Unis examinera le compte, le rectifiera s'il y a lieu, et si le solde est en faveur de la Grèce en transmettra le montant à celle-ci dans les quinze jours au plus tard après la réception du compte.

Si le solde s'établit en faveur de l'Administration des Etats-Unis, l'Administration des postes helléniques en transmettra le montant à celle-ci au plus tard dans les quinze jours qui suivront l'avis de l'acceptation ou de la rectification du compte.

Le paiement du solde devra toujours être effectué en monnaie d'or au moyen d'une lettre de change, à vue, tirée, en francs, sur Paris.

Les frais à résulter de l'achat de lettres de change, en paiement des soldes sont à la charge de l'Administration qui effectue le paiement.

The balance must always be paid in gold by means of a bill of exchange payable at sight, drawn in francs on Paris, France.

The expenses incident to the purchase of bills of exchange for the payment of balances must always be borne by the administration by which payment is made.

ARTICLE XI.

If the balance is in favor of the United States, the larger credit is to be converted into French money, at the average rate of exchange quoted at Paris for sight bills of exchange drawn in that city on New York, during the quarter to which the account pertains.

Detailed regulations.

Ante, p. 1928.

ARTICLE I.

For the lists by means of which the Exchange Offices are, in accordance with Article I of the Convention, to notify each other of the Orders to be paid, the Money Order Office at Athens shall make use of Form "A," hereto annexed, and the International Money Order Office at New York of the Form "B," hereto annexed.

Lists.

Post, pp. 1933, 1934.

ARTICLE II.

The Exchange Offices of Athens and New York shall advise each other of the amounts deposited in the one country for payment in the other, furnishing the surname, given names, and address of the payees.

To this end they shall make use of lists on which the amounts shall be entered in dollars and francs.

These lists are to be written with copying ink, in accordance with the printed headings, and to be forwarded twice a week in duplicate.

Names and address of payees.

ARTICLE III.

Should it happen at the time of dispatching any mail that there are no Money Orders to be advised to the Ex-

Lists to be numbered and sent regularly.

devrait néanmoins insérer dans la dépêche une liste portant en travers l'inscription "pas de mandats-poste."

Ces listes portent chacune un numéro d'ordre continu, dont la série se renouvelle au commencement de chaque année.

Les mandats inscrits à ces listes seront également numérotés d'une manière continue; la série des numéros recommencera chaque année.

change Office, a list must nevertheless be sent in that mail; in such event, the dispatching Exchange Office will write across the list the words, "No Money Orders."

The list shall bear consecutive numbers, commencing with the calendar year.

The Orders inscribed in the lists shall also be consecutively numbered, the series of numbers to commence with each calendar year.

ARTICLE IV.

Correction of errors.

Chaque liste sera vérifiée par le bureau d'échange destinataire, et si celui-ci y constatait des erreurs manifestes, il les rectifierait à l'encre rouge. Ce bureau remplira ensuite les colonnes qui lui sont réservées et renverra l'un des doubles de la liste au bureau expéditeur. Il accusera ensuite réception de cette liste au dit bureau expéditeur sur la lettre d'envoi qu'il aura à lui transmettre.

Les rectifications opérées devront toujours être expliquées au bas de la lettre d'envoi.

ARTICLE IV.

Each list is to be carefully examined by the receiving office, and if the latter finds that it contains manifest errors, it will correct them with red ink. That office will then fill up the columns intended for its use, and return one of the copies of the list to the dispatching office. In the letter of transmittal of the next list which it has to send, the receiving office, above mentioned, will acknowledge the receipt of the list in question to the office which sent it.

The corrections made are always to be mentioned with explanations at the end of the letter of transmittal.

ARTICLE V.

Explanations.

Lorsqu'une liste contiendra des erreurs ou des irrégularités ne pouvant être redressées sans l'intervention du bureau d'échange du pays d'origine, le bureau d'échange du pays de destination réclamera des explications au bureau d'échange expéditeur en même temps qu'il lui accusera réception de la liste. Les explications réclamées seront fournies aussi promptement que possible. En attendant, le paiement des mandats entachés d'erreur sera différé.

ARTICLE V.

When the list contains errors or irregularities which cannot be corrected without consultation with the Exchange Office of the country of origin, the Exchange Office of the country of destination shall request explanation from the dispatching Exchange Office at the same time that it acknowledges the receipt of the list. The explanations requested are to be furnished as promptly as possible. Meantime the payment of Orders in regard to which errors have been discovered is to be suspended.

ARTICLE VI.

Duplicates of missing lists.

S'il est constaté, par le numéro de la liste précédente que la liste suivante n'est point parvenue, le bureau destinataire réclamera cette dernière liste par le premier courrier. Dès réception de cette réclamation le bureau expéditeur transmettra un duplicata de la liste manquante.

ARTICLE VI.

Should it appear from the number of the list received that the preceding list failed to arrive, the receiving office shall apply for such list by the first mail. On receipt of such application the dispatching office shall forward a duplicate of the missing list.

ARTICLE VII.

Form for quarterly account.

Post, p. 1985.

L'Administration des Postes Helléniques fera usage du formulaire "C" ci-annexé pour l'établissement du compte trimestriel prévu par l'Article 10 de la Convention.

Ce compte sera dressé d'après les listes acceptées ou rectifiées par les bureaux d'échange destinataires. Il devra toujours être établi sans délai et être transmis à l'Administration des Postes des Etats-Unis dès que toutes les listes du bureau des mandats internationaux de New York datées du trimestre auquel le compte se rapporte, seront parvenues au bureau des mandats à Athènes, et que tous les duplicatas des listes du même trimestre transmis par ce dernier bureau,

ARTICLE VII.

For the quarterly account provided for by Article X of the Convention, the Greek Postal Administration shall make use of Form "C," hereto attached.

This account is to be made upon the basis of the lists accepted or corrected by the receiving offices of exchange. It is always to be prepared promptly and transmitted to the Postal Administration of the United States as soon as all the lists from the International Money Order Office of New York bearing the date of the quarter to which it pertains shall have reached the Money Order Office of Athens, and all the duplicates of the lists of the same quarter dispatched by the latter office shall have been returned to

lui auront été renvoyés par celui de New York. Autant que possible ce compte sera transmis par l'Administration des Postes Helléniques, à celle des Etats-Unis au plus tard six semaines après l'expiration du trimestre.

ARTICLE VIII.

L'Administration des Postes du pays d'origine devra recevoir avis de tous les mandats qui n'auraient pas été payés à leurs bénéficiaires respectifs et dans le délai d'une année après la réception de la liste. Dès que les deux Administrations se seront mises d'accord au sujet de ces mandats, et conformément à l'article 10 de la Convention, ceux-ci feront l'objet d'un compte trimestriel pour que leur montant puisse être remboursé aux déposants.

On comprendra de même dans ce compte les mandats dont le remboursement aurait été réclamé au pays de destination et autorisé par celui-ci, en exécution de l'Article 9 de la Convention.

ARTICLE IX.

Le paiement des mandats-poste provenant des Etats-Unis d'Amérique sera exécuté en Grèce comme il suit:

Si les mandats sont destinés pour Athènes ou pour les autres cinq bureaux d'échange helléniques, le paiement sera effectué en or et l'acquit aura lieu sur de titres internationaux émis par le bureau d'Athènes aussitôt à la réception de la liste respective du bureau de New York, sans aucun port additionnel de la part des destinataires.

Mais si les mandats sont destinés pour des bureaux ne participant pas à l'échange des mandats-poste internationaux et qui ne paient que de mandats internes, en papier monnaie, les sommes destinées pour bénéficiaires y résidant seront converties par le bureau d'échange d'Athènes en papier monnaie sur la base du cours du dernier bulletin trimestriel (qui sert pour le paiement des taxes télégraphiques et postales du service international, et qui est fixé par trimestre par une Commission formée de trois membres, dont l'un le Directeur Général des Postes et des Télégraphes et les deux autres le Directeur de la Comptabilité Générale de l'Etat et le Caissier Central de l'Etat), et après cela elles seront écrites sur de titres internes émis par le bureau d'Athènes; le montant de ces titres représentera en papier monnaie le produit de cette conversion monétaire et les titres internes ainsi rédigés seront transmis aux bureaux à qui appartiennent pour y être payés en papier monnaie. L'acquit sera donné sur les titres internes et la taxe respective sera versée par les bénéficiaires aux bureaux du paiement.

Tous les bureaux helléniques qui sont autorisés à participer à l'échange des mandats-poste avec les Etats-Unis, émettront des mandats-poste en or seulement.

ARTICLE VIII.

The postal administration of the country of origin shall be duly notified of all Orders which shall not have been paid to the respective payees within one year after the date of the receipt of the list. After an agreement shall have been reached in regard to these Orders, they shall be entered in the quarterly accounts, in order that the amounts thereof may be restored to the remitters in conformity with Article X of the Convention.

In like manner, there shall be embraced in this account Postal Orders application for repayment of which has been made to and permission therefor received from, the country of destination, in conformity with Article IX of the Convention.

But if the orders are intended for offices which do not take part in the exchange of International Money Orders, and which pay only Domestic Orders in paper currency, the amounts intended for payees residing at such offices shall be converted by the Athens Exchange Office into paper currency at the rate quoted in the last quarterly bulletin (which serves for the payment of telegraphic and postal charges in the international service, and which is fixed quarterly by a Commission, composed of three members, of whom one is the Director-General of Posts and Telegraphs, and the others are the Director of the General Accounts of the State, and the Treasurer-General of the State,) and they shall then be entered on Domestic Money Orders issued by the office of Athens; the amount of these Orders shall represent the product in paper money of such conversion, and the Domestic Orders thus issued shall be sent to the offices drawn on, to be paid in paper currency. Being assembled in the office of foreign relations, His Excellency Dr. Federico Diez de Medina, minister of foreign relations, and His Excellency Dr. George H. Bridgman, envoy extraordinary and minister plenipotentiary of the United States of America, and taking into consideration:

First. That the convention relative to the exchange of postal parcels signed on the twenty-fourth day of April last year contains several errors in the wording which it is necessary to correct in order to avoid difficulties when put into practice; and

For these reasons, the respective plenipotentiaries have agreed to reproduce the Parcels-Post Convention of the twenty-fourth of April, 1900, with the necessary corrections, signing it anew.

In virtue of which the present agreement is signed in duplicate, in the city of La Paz, this thirtieth day of the month of November, of the year one thousand nine hundred and one.

Treaty between the United States and Great Britain concerning the establishment of import duties in Zanzibar. Signed at Washington May 31, 1902; ratification with amendment advised by the Senate June 30, 1902; ratified by the President July 22, 1902; ratified by Great Britain August 27, 1902; ratifications exchanged at Washington October 17, 1902; proclaimed October 17, 1902.

May 31, 1902.

THEODORE ROOSEVELT, PRESIDENT OF THE UNITED STATES OF AMERICA.

To all to whom these Presents shall come, Greeting:

Know Ye, that whereas a Convention between the United States of America and Great Britain, concerning the establishment of import duties in that portion of the Dominions of His Highness the Sultan of Zanzibar which is under the protection of Great Britain, was concluded at Washington on the 31st. of May, one thousand, nine hundred and two, the original of which Convention is, as amended by the Senate of the United States, word for word as follows:

Preamble.

The United States of America and His Majesty the King of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, Emperor of India, acting in the name of His Highness the Sultan of Zanzibar, have, for the purposes herein-after stated, appointed their respective Plenipotentiaries, namely:

Contracting powers.

The President of the United States of America, the Honorable John Hay, Secretary of State of the United States of America; and

Plenipotentiaries.

His Britannic Majesty, Arthur Stewart Raikes, Esquire, His Britannic Majesty's Chargé d'Affaires,

Who, after having communicated each to the other their respective full powers in good and due form, have agreed upon the following Articles:

ARTICLE I.

Recognizing that it is just and necessary to facilitate to that portion of the dominions of His Highness the Sultan of Zanzibar which is under the protection of Great Britain, and which is situated in the basin of the Congo, as defined by the General Act of the African Conference at Berlin of February 26th, 1885, the accomplishment of the obligations which it has contracted by virtue of the General Act of Brussels of July 2nd, 1890, the United States waives any objection on its part to the collection of import duties upon merchandise imported into that Protectorate.

United States waives objection to collection of duties in Zanzibar.

Vol. 27, p. 886.

The tariff of these duties, as provided in the Declaration of Brussels bearing the same date as the said General Act of Brussels, for the period of fifteen years next ensuing from that date, is not to exceed ten per centum of the value of the merchandise at the port of importation, except for spirits and for firearms and ammunition, which are regulated by the General Act of Brussels.

Rates of duties during fifteen years

At the expiration of the said period of fifteen years, and in default of a new agreement, the United States will, with respect to this subject, be restored to the relations with the said Protectorate which existed prior to the Conclusion of this Convention, the right to impose

Rate at expiration of fifteen years.

thereafter import duties to a maximum of ten per centum upon merchandise imported into the said Protectorate remaining acquired to the latter so long only as it shall continue to comply with the conditions and limitations stated in this Convention.

ARTICLE II.

Rights as to import duties.

The United States shall enjoy in the said Protectorate as to import duties all the advantages accorded to the most favored nation.

Neither differential treatment nor transit duty shall be established in said Protectorate.

In the application of the tariff régime of the said Protectorate, the formalities and operations of commerce shall be simplified and facilitated so far as possible.

ARTICLE III.

United States accorded rights, etc., of most favored nation.

Considering the fact that in Article I of this Convention the United States has given its assent under certain conditions to the establishment of import duties in that portion of the Dominions of His Highness the Sultan of Zanzibar which is under the protection of Great Britain, it is well understood that the said Protectorate assures to the flag, to the vessels, to the commerce, and to the citizens and inhabitants of the United States, in all parts of the territory of that Protectorate, all the rights, privileges and immunities concerning import and export duties, tariff régime, interior taxes and charges and, in a general manner, all commercial interests, which are or shall be accorded to the signatory Powers of the Act of Berlin, or to the most favored nation.

Exchange of ratifications.

This Convention shall be ratified, and the ratifications shall be exchanged at Washington as soon as may be and within twelve months from the date hereof.

Signatures.

Ratification.

And whereas the Convention has been duly ratified, as amended, on both parts, and the ratifications of the two Governments were exchanged in the city of Washington on the 17th. day of October, one thousand, nine hundred and two:

Proclamation.

Now, therefore, be it known that I, Theodore Roosevelt, President of the United States of America, have caused the said Convention, as amended, to be made public to the end that the same and every article and clause thereof may be observed and fulfilled with good faith by the United States and the citizens thereof.

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

January 24, 1903.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

Whereas a Convention between the United States of America and Great Britain providing for the settlement of questions between the two countries with respect to the boundary line between the territory of Alaska and the British possessions in North America, was concluded and signed by their respective Plenipotentiaries at Washington, on the twenty-fourth day of January, one thousand nine hundred and three, the original of which Convention is word for word as follows:

Preamble.

The United States of America and His Majesty Edward the Seventh, of the United Kingdom of Great Britain and Ireland, and of the British Dominions beyond the Seas, King, and Emperor of India, equally desirous for the friendly and final adjustment of the differences which exist between them in respect to the true meaning and application of certain clauses of the convention between Great Britain and Russia, signed under date of February 28/16, A. D. 1825, which clauses relate to the delimitation of the boundary line between the territory of Alaska, now a possession of the United States, and the British possessions in North America, have resolved to provide for the submission of the questions as hereinafter stated to a tribunal, and to that end have appointed their respective plenipotentiaries as follows:

Contracting parties.

The President of the United States of America, John Hay, Secretary of State of the United States; and

Plenipotentiaries.

His Britannic Majesty, The Right Honorable Sir Michael H. Herbert, K. C. M. G., C. B., His Britannic Majesty's Ambassador Extraordinary and Plenipotentiary;

Who, after an exchange of their full powers which were found to be in good and due form, have agreed upon the following articles:

ARTICLE I.

A tribunal shall be immediately appointed to consider and decide the questions set forth in Article IV of this convention. The tribunal shall consist of six impartial jurists of repute who shall consider judicially the questions submitted to them, each of whom shall first subscribe an oath that he will impartially consider the arguments and evidence presented to the tribunal and will decide thereupon according to his true judgment. same authority which appointed his predecessor.

etc.** The tribunal may appoint a secretary and a bailiff to perform such
duties as they may prescribe, and may employ scientific experts if
found to be necessary, and may fix a reasonable compensation for such
officers. The tribunal shall keep an accurate record of all its proceed-
ings.

the services of the members of the tribunal of its own appointment
and of any agent, counsel, or other person employed in its behalf,
and shall pay all costs incurred in the preparation of its case. All
expenses reasonably incurred by the tribunal in the performance
of its duties shall be paid by the respective governments in equal
moieties.

within a period not exceeding two months from the date of the
exchange of ratifications of this convention.
- Counter case to be
submitted.** Within two months after the delivery on both sides of the written
or printed case, either party may, in like manner, deliver in duplicate
to each member of the tribunal, and to the agent of the other party,
a counter-case and additional documents, correspondence and evidence
in reply to the case, documents, correspondence and evidence so pre-
sented by the other party. The tribunal may, however, extend this
last mentioned period when in their judgment it becomes necessary by
reason of special difficulties which may arise in the procuring of such
additional papers and evidence.

the case, to furnish to the party applying for it a duly certified copy
thereof; and either party may call upon the other, through the tri-
bunal, to produce the original or certified copies of any papers adduced

party, and which has not been produced, the tribunal may in its dis-

cretion order the production of the same by the party having control thereof.

It shall be the duty of each party through its agent or counsel, within two months from the expiration of the time limited for the delivery of the counter-case on both sides, to deliver in duplicate to each member of the said tribunal and to the agent of the other party a written or printed argument showing the points and referring to the evidence upon which his Government relies, and either party may also support the same before the tribunal by oral argument of counsel. The tribunal may, if they shall deem further elucidation with regard to any point necessary, require from either party a written, printed, or oral statement or argument upon the point; but in such case the other party shall have the right to reply thereto.

Arguments.

ARTICLE III.

It is agreed by the High Contracting Parties that the tribunal shall consider in the settlement of the questions submitted to its decision the Treaties respectively concluded between His Britannic Majesty and the Emperor of All the Russias under date of 28/16 February, A. D. 1825, and between the United States of America and the Emperor of All the Russias concluded under date of March 30/18, A. D. 1867; and particularly the Articles III, IV, V, of the first mentioned treaty, which in the original text are word for word as follows:

Former treaties to be considered.

Vol. 15, p. 539.

“La ligne de démarcation entre les Possessions des Hautes Parties Contractantes sur la Côte du Continent et les Iles de l’Amérique Nord-Ouest, sera tracée ainsi qu’il suit:

Boundaries.

“A partir du Point le plus méridional de l’Ile dite *Prince of Wales*, lequel Point se trouve sous la parallèle du 54me degré 40 minutes de latitude Nord, et entre le 131me et 133me degré de longitude Ouest (Méridien de Greenwich), la dite ligne remontera au Nord le long de la passe dite *Portland Channel*, jusqu’au Point de la terre ferme où elle atteint le 56me degré latitude Nord; de ce dernier point la ligne de démarcation suivra la crête des montagnes situées parallèlement à la Côte, jusqu’au point d’intersection du 141me degré de longitude Ouest (même Méridien); et finalement, du dit point d’intersection, la même ligne méridienne du 141me degré formera, dans son prolongement jusqu’à la Mer Glaciale, la limite entre les Possessions Russes et Britanniques sur le Continent de l’Amérique Nord-Ouest.”

IV.

“Il est entendu, par rapport à la ligne de démarcation déterminée dans l’Article précédent;

“1. Que l’Isle dite *Prince of Wales* appartiendra toute entière à la Russie.

“2. Que partout où la crête des montagnes qui s’étendent dans une direction parallèle à la Côte depuis le 56me degré de latitude Nord au point d’intersection du 141me degré de longitude Ouest, se trouveroit à la distance de plus de dix lieues marines de l’Océan, la limite entre les Possessions Britanniques et la lisière de Côte mentionnée ci-dessus comme devant appartenir à la Russie, sera formée par une ligne parallèle aux sinuosités de la Côte, et qui ne pourra jamais en être éloignée que de dix lieues marines.”

V.

“Il est convenu en outre, que nul Etablissement ne sera formé par l’une des deux Parties dans les limites que les deux Articles précédens assignent aux Possessions de l’Autre. En conséquence, les Sujets Bri-

tanniques ne formeront aucun Etablissement soit sur la Côte, soit sur la lisière de terre ferme comprise dans les limites des Possessions Russes, telles qu'elles sont désignées dans les deux Articles précédens; et, de même, nul Etablissement ne sera formé par des Sujets Russes au delà des dites limites."

The tribunal shall also take into consideration any action of the several governments or of their respective representatives preliminary or subsequent to the conclusion of said treaties so far as the same tends to show the original and effective understanding of the parties in respect to the limits of their several territorial jurisdictions under and by virtue of the provisions of said treaties.

ARTICLE IV.

Questions to be decided.

Referring to Articles III, IV, and V of the said treaty of 1825 the said tribunal shall answer and decide the following questions:—

1. What is intended as the point of commencement of the line?
2. What channel is the Portland Channel?
3. What course should the line take from the point of commencement to the entrance to Portland Channel?
4. To what point on the 56th parallel is the line to be drawn from the head of the Portland Channel, and what course should it follow between these points?
5. In extending the line of demarcation northward from said point on the parallel of the 56th degree of North latitude, following the crest of the mountains situated parallel to the coast until its intersection with the 141st degree of longitude west of Greenwich, subject to the condition that if such line should anywhere exceed the distance of ten marine leagues from the ocean then the boundary between the British and the Russian territory should be formed by a line parallel to the sinuosities of the coast and distant therefrom not more than ten marine leagues, was it the intention and meaning of said convention of 1825 that there should remain in the exclusive possession of Russia a continuous fringe or strip of coast on the mainland, not exceeding ten marine leagues in width, separating the British Possessions from the bays, ports, inlets, havens, and waters of the ocean, and extending from the said point on the 56th degree of latitude north to a point where such line of demarcation should intersect the 141st degree of longitude west of the Meridian of Greenwich?
6. If the foregoing question should be answered in the negative, and in the event of the summit of such mountains proving to be in places more than ten marine leagues from the coast, should the width of the lisière which was to belong to Russia be measured (1) from the mainland coast of the ocean, strictly so-called, along a line perpendicular thereto, or (2) was it the intention and meaning of the said convention that where the mainland coast is indented by deep inlets forming part of the territorial waters of Russia, the width of the lisière was to be measured (a) from the line of the general direction of the mainland coast, or (b) from the line separating the waters of the ocean from the territorial waters of Russia, or (c) from the heads of the aforesaid inlets?
7. What, if any exist, are the mountains referred to as situated parallel to the coast, which mountains, when within ten marine leagues from the coast, are declared to form the eastern boundary?

ARTICLE V.

Meeting of tribunal.

The tribunal shall assemble for their first meeting at London as soon as practicable after receiving their commissions; and shall themselves fix the times and places of all subsequent meetings.

The decision of the tribunal shall be made so soon as possible after the conclusion of the arguments in the case, and within three months thereafter, unless the President of the United States and His Britannic Majesty shall by common accord extend the time therefor. The decision shall be made in writing, and dated, and shall be signed by the members of the tribunal assenting to the same. It shall be signed in duplicate, one copy whereof shall be given to the agent of the United States of America for his government, and the other to the agent of His Britannic Majesty for his government.

Decision.

Signed in duplicate.

ARTICLE VI.

When the High Contracting Parties shall have received the decision of the tribunal upon the questions submitted as provided in the foregoing articles, which decision shall be final and binding upon all parties, they will at once appoint, each on its own behalf, one or more scientific experts who shall with all convenient speed proceed together to lay down the boundary line, in conformity with such decision.

Experts to establish boundary in conformity with decision.

Should there be, unfortunately, a failure by a majority of the tribunal to agree upon any of the points submitted for their decision, it shall be their duty to so report in writing to the respective governments through their respective agents. Should there be an agreement by a majority upon a part of the questions submitted, it shall be their duty to sign and report their decision upon the points of such agreement in the manner hereinbefore prescribed.

Report of failure to agree.

Partial agreement.

ARTICLE VII.

The present Convention shall be ratified by the President of the United States, by and with the advice and consent of the Senate, and by His Britannic Majesty, and the ratifications shall be exchanged in Washington or in London so soon as the same may be effected.

Ratification.

In faith whereof we, the respective plenipotentiaries, have signed this Convention and have hereunto affixed our Seals.

Signatures.

Whereas, the report and recommendations of the said Commission were approved by Executive Order dated December 29, 1891, which Order also directed that "All of the lands mentioned in said report are hereby withdrawn from settlement and entry until patents shall have issued for said selected reservations and until the recommendations of said Commission shall be fully executed, and, by the proclamation of the President of the United States, the lands or any part thereof shall be restored to the public domain"; and

Whereas, a patent was issued March 10, 1894, to the said Indians for the lands selected by the Commission as aforesaid and which patent also excluded the said Sections 8 and 9, township 15 south, range 2 east; and

Whereas it appears that the said Arthur F. Head can not make the requisite filings on the land occupied by him until it shall have been formally restored to the public domain, and that no good reason appears to exist for the further reservation of the said sections for the said band of Indians;

Land in California

main.

Now, therefore, I, William McKinley, President of the United States, by virtue of the power in me vested, do hereby declare and make known that the Executive Orders dated December 27, 1875 and December 29, 1891, are so far modified as to except from their provi-

sions Sections 8 and 9 of township 15 south, range 2 east, San Bernardino meridian, and the said sections are hereby restored to the public domain.

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

PROCLAMATION.

June 25, 1901.

Whereas the act of Congress entitled "An Act to ratify and confirm an agreement with the Muscogee or Creek tribe of Indians and for other purposes," approved on the first day of March, nineteen hundred and one, contains a provision as follows:

Preamble.
Vol. 31, p. 861.

That the agreement negotiated between the Commission to the Five Civilized Tribes and the Muscogee or Creek tribe of Indians, at the City of Washington on the eighth day of March, nineteen hundred, as herein amended, is hereby accepted, ratified, and confirmed, and the same shall be of full force and effect when ratified by the Creek national council. The principal chief, as soon as practicable after the ratification of this agreement by Congress, shall call an extra session of the Creek national council and lay before it this agreement and the Act of Congress ratifying it, and if the agreement be ratified by said council, as provided in the constitution of said nation, he shall transmit to the President of the United States the act of council ratifying the agreement, and the President of the United States shall thereupon issue his proclamation declaring the same duly ratified, and that all the provisions of this agreement have become law according to the terms thereof: *Provided*, That such ratification by the Creek national council shall be made within ninety days from the approval of this Act by the President of the United States,

And whereas the principal chief of the said tribe has transmitted to me an act of the Creek national council entitled "An act to ratify and confirm an agreement between the United States and the Muscogee Nation of Indians of the Indian Territory" approved the twenty-fifth day of May, nineteen hundred and one, which contains a provision as follows:

That said Agreement, amended, ratified and confirmed by the Congress of the United States, as set forth in said Act of Congress approved March 1, 1901, is hereby accepted, ratified and confirmed on the part of the Muscogee Nation and on the part of the Muscogee or Creek tribe of Indians constituting said Nation, as provided in said Act of Congress and as provided in the Constitution of said Nation, and the Principal Chief is hereby authorized to transmit this Act of the National Council ratifying said Agreement to the President of the United States as provided in said Act of Congress.

And whereas paragraph thirty-six of said agreement contains a provision as follows:

This provision shall not take effect until after it shall have been separately and specifically approved by the Creek national council and by the Seminole general council; and if not approved by either, it shall fail altogether, and be eliminated from this agreement without impairing any other of its provisions.

And whereas there has been presented to me an act of the Creek national council entitled "An Act to disapprove certain provisions, relating to Seminole citizens, in the agreement between the Muscogee Nation and the United States, ratified by Congress March 1, 1901,"

approved the twenty-fifth day of May, nineteen hundred and one, by which the provisions of said paragraph thirty-six are specifically disapproved:

Agreement with
Creek Indians ratified.

Now, therefore, I, William McKinley, President of the United States, do hereby declare said agreement, except paragraph thirty-six thereof, duly ratified and that all the provisions thereof, except said paragraph thirty-six which failed of ratification by the Creek national council, became law according to the terms thereof upon the twenty-fifth day of May, nineteen hundred and one.

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

WILLIAM MCKINLEY

By the President:

DAVID J. HILL,
Acting Secretary of State.

[No. 6.]

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

July 4, 1901.

A PROCLAMATION.

Whereas, by an agreement between the Wichita and affiliated bands of Indians on the one part, and certain commissioners of the United States on the other part, ratified by act of Congress approved March 2, 1895 (28 Stat., 876, 894), the said Indians ceded, conveyed, transferred and relinquished, forever and absolutely, without any reservation whatever, unto the United States of America, all their claim, title and interest of every kind and character in and to the lands embraced in the following described tract of country now in the Territory of Oklahoma, to wit:

Preamble.
Vol. 28, p. 894.

"Commencing at a point in the middle of the main channel of the Washita River where the ninety-eighth meridian of west longitude crosses the same, thence up the middle of the main channel of said river to the line of 98° 40' west longitude, thence on said line of 98° 40' due north to the middle of the channel of the main Canadian River, thence down the middle of the said main Canadian River to where it crosses the ninety-eighth meridian, thence due south to the place of beginning."

Lands ceded by
Wichita, etc., Indians.

And whereas, in pursuance of said act of Congress ratifying said agreement, allotments of land in severalty have been regularly made to each and every member of said Wichita and affiliated bands of Indians, native and adopted, and the lands occupied by religious societies or other organizations for religious or educational work among the Indians have been regularly allotted and confirmed to such societies and organizations, respectively;

And whereas, by an agreement between the Comanche, Kiowa and Apache tribes of Indians on the one part, and certain commissioners of the United States on the other part, amended and ratified by act of Congress, approved June 6, 1900 (31 Stat., 672, 676), the said Indian tribes, subject to certain conditions which have been duly performed, ceded, conveyed, transferred, relinquished and surrendered forever and absolutely, without any reservation whatsoever, expressed or implied, unto the United States of America, all their claim, title and interest of every kind and character in and to the lands embraced in the following described tract of country now in the Territory of Oklahoma, to wit:

Vol. 31, p. 676.

"Commencing at a point where the Washita River crosses the ninety-eighth meridian west from Greenwich; thence up the Washita River, in the middle of the main channel thereof, to a point thirty miles, by river, west of Fort Cobb, as now established; thence due west to the north fork of Red River, provided said line strikes said river east of the one-hundredth meridian of west longitude; if not, then only to said meridian line, and thence due south, on said meridian line, to the said north fork of Red River; thence down said north fork, in the middle of the main channel thereof, from the point where it may be first intersected by the lines above described, to the main Red River; thence down said Red River, in the middle of the main channel thereof, to its intersection with the ninety-eighth meridian of longitude west from Greenwich; thence north, on said meridian line, to the place of beginning."

Lands ceded by
Comanche, Kiowa,
and Apache Indians.

And whereas, in pursuance of said act of Congress ratifying the agreement last named, allotments of land in severalty have been regularly made to each member of said Comanche, Kiowa and Apache tribes of Indians; the lands occupied by religious societies or other organizations for religious or educational work among the Indians have been regularly allotted and confirmed to such societies and organizations, respectively; and the Secretary of the Interior, out of the lands ceded by the agreement last named, has regularly selected and set aside for the use in common for said Comanche, Kiowa and Apache tribes of Indians, four hundred and eighty thousand acres of grazing lands;

Vol. 28, p. 897.

And whereas, in the act of Congress ratifying the said Wichita agreement, it is provided—

"That whenever any of the lands acquired by this agreement shall, by operation of law or proclamation of the President of the United States, be open to settlement, they shall be disposed of under the general provisions of the homestead and townsite laws of the United States: *Provided*, That in addition to the land office fees prescribed by statute for such entries the entry man shall pay one dollar and twenty-five cents per acre for the land entered at the time of submitting his final proof: *And provided further*, That in all homestead entries where the entry man has resided upon and improved the land entered in good faith for the period of fourteen months he may commute his entry to cash upon the payment of one dollar and twenty-five cents per acre: *And provided further*, That the rights of honorably discharged Union soldiers and sailors of the late civil war, as defined and described in sections twenty-three hundred and four and twenty-three hundred and five of the Revised Statutes, shall not be abridged: *And provided further*, That any qualified entry man having lands adjoining the lands herein ceded, whose original entry embraced less than one hundred and sixty acres, may take sufficient land from said reservation to make his homestead entry not to exceed one hundred and sixty acres in all, said land to be taken upon the same conditions as are required of other entry men: *Provided*, That said lands shall be opened to settlement within one year after said allotments are made to the Indians.

* * * * *

"That the laws relating to the mineral lands of the United States are hereby extended over the lands ceded by the foregoing agreement."

Vol. 31, p. 679.

And whereas in the act of Congress ratifying the said Comanche, Kiowa and Apache agreement, it is provided—

That the lands acquired by this agreement shall be opened to settlement by proclamation of the President within six months after allotments are made and be disposed of under the general provisions of the homestead and town-site laws of the United States: *Provided*, That in addition to the land-office fees prescribed by statute for such entries the entryman shall pay one dollar and twenty-five cents per acre for the land entered at the time of submitting his final proof: *And provided further*, That in all homestead entries where the entryman has resided upon and improved the land entered in good faith for the period of fourteen months he may commute his entry to cash upon the payment of one dollar and twenty-five cents per acre: *And provided further*, That the rights of honorably discharged Union soldiers and sailors of the late civil war, as defined and described in sections twenty-three hundred and four and twenty-three hundred and five of the Revised Statutes shall not be abridged: *And provided further*, That any person who, having attempted to but for any cause failed to secure a title in fee to a homestead under existing laws, or who made entry under what is known as the commuted provision of the homestead law, shall be qualified to make a homestead entry upon said lands: *And provided further*, That any qualified entryman having lands adjoining the lands herein ceded, whose original entry embraced less than one hundred and sixty acres in all, shall have the right to enter so much of the lands by this agreement ceded lying contiguous to his said entry as shall, with the land already entered, make in the aggregate one hundred and sixty acres, said land to be taken upon the same conditions as are required of other entrymen: *And provided further*, That the settlers who located on that part of said lands called and known as the 'neutral strip' shall have preference right for thirty days on the lands upon which they have located and improved.

* * * * *

"That should any of said lands allotted to said Indians, or opened to settlement under this Act, contain valuable mineral deposits, such mineral deposits shall be open to location and entry, under the existing mining laws of the United States, upon the passage of this Act, and the mineral laws of the United States are hereby extended over said lands."

Vol. 31, p. 727.

And whereas, by the act of Congress approved January 4, 1901 (31 Stat., 727), the Secretary of the Interior was authorized to extend, for a period not exceeding eight months from December 6, 1900, the time for making allotments to the Comanche, Kiowa, and Apache Indians and opening to settlement the lands so ceded by them;

Vol. 31, p. 1093.

And whereas, in pursuance of the act of Congress approved March 3, 1901 (31 Stat., 1093), the Secretary of the Interior has regularly subdivided the lands so as aforesaid respectively ceded to the United States by the Wichita and affiliated bands of Indians and the Comanche, Kiowa, and Apache tribes of Indians into counties, attaching portions thereof to adjoining counties in the Territory of Oklahoma, has regularly designated the place for the county seat of each new county, has

regularly set aside and reserved at such county seat land for a townsite to be disposed of in the manner provided by the act of Congress last named, and has regularly caused to be surveyed, subdivided, and platted the lands so set aside and reserved for disposition as such townsites;

And whereas, by the act of Congress last named, it is provided—

“The lands to be opened to settlement and entry under the Acts of Congress ratifying said agreements respectively shall be so opened by proclamation of the President, and to avoid the contests and conflicting claims which have heretofore resulted from opening similar public lands to settlement and entry, the President’s proclamation shall prescribe the manner in which these lands may be settled upon, occupied and entered by persons entitled thereto under the Acts ratifying said agreements, respectively; and no person shall be permitted to settle upon, occupy or enter any of said lands except as prescribed in such proclamation until after the expiration of sixty days from the time when the same are opened to settlement and entry.”

And whereas, by the act of Congress last named the President was authorized to establish two additional United States land districts and land offices in the Territory of Oklahoma to include the lands so ceded as aforesaid, which land districts and land offices have been established by an order of even date herewith;

And whereas all of the conditions required by law to be performed prior to the opening of said tracts of land to settlement and entry have been, as I hereby declare, duly performed;

Now therefore, I, William McKinley, President of the United States of America, by virtue of the power vested in me by law, do hereby declare and make known that all of the lands so as aforesaid ceded by the Wichita and affiliated bands of Indians, and the Comanche, Kiowa, and Apache tribes of Indians, respectively, saving and excepting sections sixteen, thirty-six, thirteen and thirty-three in each township, and all lands located or selected by the Territory of Oklahoma as indemnity school or educational lands, and saving and excepting all lands allotted in severalty to individual Indians, and saving and excepting all lands allotted and confirmed to religious societies and other organizations, and saving and excepting the lands selected and set aside as grazing lands for the use in common for said Comanche, Kiowa, and Apache tribes of Indians, and saving and excepting the lands set aside and reserved at each of said county seats for disposition as townsites, and saving and excepting the lands now used, occupied, or set apart for military, agency, school, school farm, religious, Indian cemetery, wood reserve, forest reserve, or other public uses, will, on the 6th day of August, 1901, at 9 o’clock a. m., in the manner herein prescribed and not otherwise, be opened to entry and settlement and to disposition under the general provisions of the homestead and townsite laws of the United States.

Lands ceded by
Wichita, Comanche,
Kiowa, and Apache
Indians open to entry
August 6, 1901.
Post, p. 2007.

Commencing at 9 o’clock a. m., Wednesday, July 10, 1901, and ending at 6 o’clock p. m., Friday, July 26, 1901, a registration will be had at the United States land offices at El Reno and Lawton, in the Territory of Oklahoma (the office at Lawton to occupy provisional quarters in the immediate vicinity of Fort Sill, Oklahoma Territory, until suitable quarters can be provided at Lawton), for the purpose of ascertaining what persons desire to enter, settle upon, and acquire title to any of said lands under the homestead law and of ascertaining their qualifications so to do. The registration at each office will be for both land districts, but at the time of registration each applicant will be required to elect and state in which district he desires to make entry. To obtain registration each applicant will be required to show himself duly qualified to make homestead entry of these lands under existing laws and to give the registering officer such appropriate matters of description and identity as will protect the applicant and the government against any attempted impersonation. Registration can not be effected through the use of the mails or the employment of an agent,

Registration of ap-
plicants.

R. S., sec. 2304, p. 422.
Vol. 31, p. 847.

excepting that honorably discharged soldiers and sailors entitled to the benefits of section 2304 of the Revised Statutes of the United States, as amended by the act of Congress approved March 1, 1901 (31 Stat., 847), may present their applications for registration and due proofs of their qualifications through an agent of their own selection, but no person will be permitted to act as agent for more than one such soldier or sailor. No person will be permitted to register more than once or in any other than his true name. Each applicant who shows himself duly qualified will be registered and given a non-transferable certificate to that effect, which will entitle him to go upon and examine the lands to be opened hereunder in the land district in which he elects to make his entry; but the only purpose for which he may go upon and examine said lands is that of enabling him later on, as herein provided, to understandingly select the lands for which he will make entry. No one will be permitted to make settlement upon any of said lands in advance of the opening herein provided for, and during the first sixty days following said opening no one but registered applicants will be permitted to make homestead settlement upon any of said lands, and then only in pursuance of a homestead entry duly allowed by the local land officers, or of a soldier's declaratory statement duly accepted by such officers.

Entries determined
by drawings.
Regulations.

The order in which, during the first sixty days following the opening, the registered applicants will be permitted to make homestead entry of the lands opened hereunder, will be determined by drawings for both the El Reno and Lawton districts publicly held at the United States land office at El Reno, Oklahoma, commencing at 9 o'clock a. m., Monday, July 29, 1901, and continuing for such period as may be necessary to complete the same. The drawings will be had under the supervision and immediate observation of a committee of three persons whose integrity is such as to make their control of the drawing a guaranty of its fairness. The members of this committee will be appointed by the Secretary of the Interior, who will prescribe suitable compensation for their services. Preparatory to these drawings the registration officers will, at the time of registering each applicant who shows himself duly qualified, make out a card, which must be signed by the applicant, stating the land district in which he desires to make homestead entry, and giving such a description of the applicant as will enable the local land officers to thereafter identify him. This card will be at once sealed in a separate envelope, which will bear no other distinguishing label or mark than such as may be necessary to show that it is to go into the drawing for the land district in which the applicant desires to make entry. These envelopes will be separated according to land districts and will be carefully preserved and remained sealed until opened in the course of the drawing as herein provided. When the registration is completed all of these sealed envelopes will be brought together at the place of drawing and turned over to the committee in charge of the drawing, who, in such manner as in their judgment will be attended with entire fairness and equality of opportunity, shall proceed to draw out and open the separate envelopes and to give to each enclosed card a number in the order in which the envelope containing the same is drawn. While the drawings for the two districts will be separately conducted they will occur as nearly at the same time as is practicable. The result of the drawing for each district will be certified by the committee to the officers of the district and will determine the order in which the applicants may make homestead entry of said lands and settlement thereon.

Notice of drawings.

Notice of the drawings stating the name of each applicant and number assigned to him by the drawing will be posted each day at the place of drawing, and each applicant will be notified of his number by a

postal-card mailed to him at the address, if any, given by him at the time of registration. Each applicant should, however, in his own behalf employ such measures as will insure his obtaining prompt and accurate information of the order in which his application for homestead entry can be presented as fixed by the drawing. Applications for homestead entry of said lands during the first sixty days following the opening can be made only by registered applicants and in the order established by the drawing. At each land office, commencing Tuesday, August 6, 1901, at 9 o'clock a. m., the applications of those drawing numbers 1 to 125, inclusive, for that district must be presented and will be considered in their numerical order during the first day, and the applications of those drawing numbers 126 to 250, inclusive, must be presented and will be considered in their numerical order during the second day, and so on at that rate until all of said lands subject to entry under the homestead law, and desired thereunder, have been entered. If any applicant fails to appear and present his application for entry when the number assigned to him by the drawing is reached, his right to enter will be passed until after the other applications assigned for that day have been disposed of, when he will be given another opportunity to make entry, failing in which he will be deemed to have abandoned his right to make entry under such drawing. To obtain the allowance of a homestead entry each applicant must personally present the certificate of registration theretofore issued to him, together with a regular homestead application and the necessary accompanying proofs, and with the regular land office fees, but an honorably discharged soldier or sailor may file his declaratory statement through the agent representing him at the registration. The production of the certificate of registration will be dispensed with only upon satisfactory proof of its loss or destruction. If at the time of considering his regular application for entry it appears that any applicant is disqualified from making homestead entry of these lands his application will be rejected, notwithstanding his prior registration. If any applicant shall register more than once hereunder, or in any other than his true name, or shall transfer his registration certificate he will thereby lose all the benefits of the registration and drawing herein provided for, and will be precluded from entering or settling upon any of said lands during the first sixty days following said opening.

Presentation of application numbers.

Because of the provision in the said act of Congress approved June 6, 1900: "That the settlers who located on that part of said lands called and known as the 'neutral strip' shall have preference right for thirty days on the lands upon which they have located and improved," the said lands in the "neutral strip" shall for the period of thirty days after said opening be subject to homestead entry and townsite entry only by those who have heretofore located upon and improved the same, and who are accorded a preference right of entry for thirty days as aforesaid. Persons entitled to make entry under this preference right will be permitted to do so at any time during said period of thirty days following the opening without previous registration, and without regard to the drawing herein provided for, and at the expiration of that period the lands in said "neutral strip" for which no entry shall have been made will come under the general provisions of this proclamation.

Preference right of settlers on "neutral strip."
Vol. 31, p. 680.

The intended beneficiaries of the provision in the said acts of Congress, approved, respectively, March 2, 1895, and June 6, 1900, which authorizes a qualified entryman having lands adjoining the ceded lands, whose original entry embraced less than 160 acres, to enter so much of the ceded lands as will make his homestead entry contain in the aggregate not exceeding 160 acres, may obtain such an extension

of his existing entry, without previous registration and without regard to the drawing herein provided for, only by making appropriate application, accompanied by the necessary proofs, at the proper new land office at some time prior to the opening herein provided for.

Townsite entries.

Any person or persons desiring to found, or to suggest establishing a townsite upon any of said ceded lands at any point not in the near vicinity of either of the county seats therein heretofore selected and designated as aforesaid, may, at any time before the opening herein provided for, file in the proper local land office a written application to that effect describing by legal subdivisions the lands intended to be affected, and stating fully and under oath the necessity or propriety of founding or establishing a town at that place. The local officers will forthwith transmit said petition to the Commissioner of the General Land Office with their recommendation in the premises. Such Commissioner, if he believes the public interests will be subserved thereby, will, if the Secretary of the Interior approve thereof, issue an order withdrawing the lands described in such petition, or any portion thereof, from homestead entry and settlement and directing that the same be held for the time being for townsite settlement, entry, and disposition only. In such event the lands so withheld from homestead entry and settlement will, at the time of said opening and not before, become subject to settlement, entry, and disposition under the general townsite laws of the United States. None of said ceded lands will be subject to settlement, entry, or disposition under such general townsite laws except in the manner herein prescribed until after the expiration of sixty days from the time of said opening.

County seats.
Vol. 31, p. 1094.

Attention is hereby especially called to the fact that under the special provisions of the said act of Congress approved March 3, 1901, the townsites selected and designated at the county seats of the new counties into which said lands have been formed can not be disposed of under the general townsite laws of the United States, and can only be disposed of in the special manner provided in said act of Congress, which declares:

"The lands so set apart and designated shall, in advance of the opening, be surveyed, subdivided, and platted, under the direction of the Secretary of the Interior, into appropriate lots, blocks, streets, alleys, and sites for parks of public buildings, so as to make a town site thereof: *Provided*, That no person shall purchase more than one business and one residence lot. Such town lots shall be offered and sold at public auction to the highest bidder, under the direction of the Secretary of the Interior, at sales to be had at the opening and subsequent thereto."

Warning against
premature entry.

All persons are especially admonished that under the said act of Congress approved March 3, 1901, it is provided that no person shall be permitted to settle upon, occupy, or enter any of said ceded lands except in the manner prescribed in this proclamation until after the expiration of sixty days from the time when the same are opened to settlement and entry. After the expiration of the said period of sixty days, but not before, any of said lands remaining undisposed of may be settled upon, occupied and entered under the general provisions of the homestead and townsite laws of the United States in like manner as if the manner of effecting such settlement, occupancy and entry had not been prescribed herein in obedience to law.

Settlement of undis-
posed lands.

Wire fences not to
be destroyed, etc.

It appearing that there are fences around the pastures into which, for convenience, portions of the ceded lands have heretofore been divided, and that these fences are of considerable value and are still the property of the Indian tribes ceding said lands to the United States, all persons going upon, examining, entering, or settling upon any of said lands are cautioned to respect such fences as the property of the Indians and not to destroy, appropriate, or carry away the same, but to leave them undisturbed so that they may be seasonably removed and preserved for the benefit of the Indians.

Regulations.

The Secretary of the Interior shall prescribe all needful rules and

regulations necessary to carry into full effect the opening herein provided for.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

A PROCLAMATION.

To the people of the United States:

A terrible bereavement has befallen our people. The President of the United States has been struck down; a crime not only against the Chief Magistrate, but against every law-abiding and liberty-loving citizen.

Death of William McKinley, President of the United States.

President McKinley crowned a life of largest love for his fellow men, of earnest endeavor for their welfare, by a death of Christian fortitude; and both the way in which he lived his life and the way in which, in the supreme hour of trial, he met his death will remain forever a precious heritage of our people.

It is meet that we as a nation express our abiding love and reverence for his life, our deep sorrow for his untimely death.

Now, therefore, I, Theodore Roosevelt, President of the United States of America, do appoint Thursday next, September 19, the day in which the body of the dead President will be laid in its last earthly resting place, as a day of mourning and prayer throughout the United States. I earnestly recommend all the people to assemble on that day in their respective places of divine worship, there to bow down in submission to the will of Almighty God, and to pay out of full hearts the homage of love and reverence to the memory of the great and good President, whose death has so sorely smitten the nation.

Thursday, September 19, 1901, appointed a day of mourning and prayer.

November 2, 1901.

A PROCLAMATION.

The season is nigh when, according to the time-hallowed custom of our people, the President appoints a day as the especial occasion for praise and thanksgiving to God.

Preamble.

This Thanksgiving finds the people still bowed with sorrow for the death of a great and good President. We mourn President McKinley because we so loved and honored him; and the manner of his death should awaken in the breasts of our people a keen anxiety for the country, and at the same time a resolute purpose not to be driven by any calamity from the path of strong, orderly, popular liberty which as a nation we have thus far safely trod.

Yet in spite of this great disaster, it is nevertheless true that no people on earth have such abundant cause for thanksgiving as we have. The past year in particular has been one of peace and plenty. We have prospered in things material and have been able to work for our own

uplifting in things intellectual and spiritual. Let us remember that, as much as has been given us, much will be expected from us; and that true homage comes from the heart as well as from the lips and shows itself in deeds. We can best prove our thankfulness to the Almighty by the way in which on this earth and at this time each of us does his duty to his fellow men.

Thursday, November 28, 1901, set apart as a day of national thanksgiving.

Now, therefore, I, Theodore Roosevelt, President of the United States, do hereby designate as a day of general thanksgiving Thursday, the 28th of this present November, and do recommend that throughout the land the people cease from their wonted occupations, and at their several homes and places of worship reverently thank the Giver of all good for the countless blessings of our national life.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

THEODORE ROOSEVELT

By the President:

JOHN HAY

Secretary of State.

[No. 18.]

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

May 7, 1902.

A PROCLAMATION.

Whereas, by an agreement between the Shoshone and Bannock Indians of the Fort Hall Reservation in Idaho, on the one part and certain commissioners of the United States on the other part, ratified by act of Congress approved June 6, 1900 (31 Stat., 672), the said Indians ceded, granted, and relinquished to the United States all right, title, and interest which they had to the following described land, the same being a part of the land obtained through the treaty of Fort Bridger on the third day of July, eighteen hundred and sixty-eight, and ratified by the United States Senate on the sixteenth day of February, eighteen hundred and sixty-nine:

Preamble.

Vol. 31, p. 672.

All that portion of the said reservation embraced within and lying east and south of the following described lines:

Commencing at a point in the south boundary of the Fort Hall Indian Reservation, being the southwest corner of township nine (9) south, range thirty-four (34) east of the Boise meridian, thence running due north on the range line between townships 33 and 34 east to a point two (2) miles north of the township line between townships five (5) and six (6) south, thence due east to the range line between ranges 35 and 36 east, thence south on said range line four (4) miles, thence due east to the east boundary line of the reservation; from this point the east and south boundaries of the said reservation as it now exists to the point of beginning, namely, the southwest corner of township nine (9) south, range thirty-four east, being the remainder of the description and metes and bounds of the said tract of land herein proposed to be ceded."

Lands ceded by the Shoshone and Bannock Indians.

And whereas, in pursuance of said act of Congress ratifying said agreement, allotments of land have been regularly made to each Indian occupant who desired it, and a schedule has been made of the lands to be abandoned and the improvements thereon appraised, and such improvements will be offered for sale to the highest bidder at not less than the appraised price prior to the date fixed for the opening of the ceded lands to settlement, and the classification as to agricultural and grazing lands has been made;

Vol. 31, p. 672.

And whereas, in the act of Congress ratifying said agreement it is provided:

That on the completion of the allotments and the preparation of the schedule provided for in the preceding section, and the classification of the lands as provided for herein, the residue of said ceded lands shall be opened to settlement by the proclamation of the President, and shall be subject to disposal under the homestead, townsite, stone and timber, and mining laws of the United States only, excepting as to price and excepting the sixteenth and thirty-sixth sections in each Congressional township, which shall be reserved for common school purposes and be subject to the laws of Idaho: *Provided*, That all purchasers of lands lying under the canal of the Idaho Canal Company, and which are susceptible of irrigation from the water from said canal, shall pay for the same at the rate of ten dollars per acre; all agricultural lands not under said canal shall be paid for at the rate of two dollars and fifty cents per acre, and grazing lands at the rate of one dollar and twenty-five cents per acre, one-fifth of the respective sums to be paid at time of original entry, and four-fifths thereof at the time of making final proof; but no purchaser shall be permitted in any manner to purchase more than one hundred and sixty acres of the land hereinbefore referred to; but the rights of honorably discharged Union soldiers and sailors, as defined and described in sections twenty-three hundred and four and twenty-three hundred and five of the Revised Statutes of the United States, shall not be abridged, except as to the sum to be paid as aforesaid.

Lands opened to settlement.
Vol. 31, p. 676.

* * * * *

No lands in sections sixteen and thirty-six now occupied, as set forth in article three of the agreement herein ratified shall be reserved for school purposes, but the State of Idaho shall be entitled to indemnity for any lands so occupied: *Provided*, That none of said lands shall be disposed of under the townsite laws for less than ten dollars per acre: *And provided further*, That all of said lands within five miles of the boundary line of the town of Pocatello shall be sold at public auction, payable as aforesaid, under the direction of the Secretary of the Interior for not less than

ten dollars per acre: *And provided further*, That any mineral lands within said five mile limit shall be disposed of under the mineral land laws of the United States, excepting that the price of such mineral lands shall be fixed at ten dollars per acre, instead of the price fixed by the said mineral land laws.

And whereas, all the conditions required by law to be performed prior to the opening of said lands to settlement and entry have been, as I hereby declare, duly performed, except the sale of the improvements mentioned above, but as this is not considered a bar to the opening of the unallotted and unreserved lands to settlement and entry,

Lands ceded by Shoshone and Bannock Indians open to entry June 17, 1902.

Now, therefore, I, THEODORE ROOSEVELT, President of the United States of America, by virtue of the power vested in me by law, do hereby declare and make known that all of the lands so as aforesaid ceded by the Shoshone and Bannock Indians, saving and excepting all lands allotted to the Indians, and saving and excepting the lands on which the Indian improvements have been appraised, and saving and excepting the sixteenth and thirty-sixth sections in each Congressional township, and saving and excepting Lots 7 and 8, section 21, NW $\frac{1}{4}$ SW $\frac{1}{4}$ and Lots 9 and 10, section 22, T. 9 S., R. 38 E., B. M., known as "Lava Hot Springs" and saving and excepting all of the lands within five miles of the boundary line of the town of Pocatello, Idaho, and saving and excepting the lands ceded under the Act of September 1, 1888 (25 Stat., 452), for the purposes of a townsite, will on the 17th day of June, 1902, at and after the hour of 12 o'clock, noon, (Mountain Standard time), be opened to settlement and entry under the terms of and subject to all the conditions, limitations, reservations, and restrictions contained in the statutes above specified, and the laws of the United States applicable thereto.

In view of the provision in said act "That all of said lands within five miles of the boundary line of the town of Pocatello shall be sold at public auction, payable as aforesaid, under the direction of the Secretary of the Interior for not less than ten dollars per acre," the lands, "within five miles of the boundary line of the town of Pocatello," saving and excepting all lands allotted to the Indians, and saving and excepting the sixteenth and thirty-sixth sections in each Congressional township, and saving and excepting the lands ceded under the Act of September 1, 1888 (25 Stat., 452), for the purposes of a townsite, will on the 17th day of July, 1902, at and after the hour of 12 o'clock, noon (Mountain Standard time), be offered at public auction at not less than ten dollars per acre, under the terms and subject to all the conditions, limitations, reservations and restrictions, contained in the statutes above specified, and the laws of the United States applicable thereto.

Because of the provision in the act ratifying said agreement that "The purchaser of said improvements shall have thirty days after such purchase for preference right of entry, under the provisions of this Act, of the lands upon which the improvements purchased by him are situated, not to exceed one hundred and sixty acres," the said lands upon which such Indian improvements purchased are situated outside of the lands within five miles of the town of Pocatello, shall for the period of thirty days after said opening be subject to homestead entry, townsite entry, stone and timber entry, and entry under the mineral laws only by those who may have purchased the improvements thereon, and who are accorded a preference right of entry for thirty days as aforesaid, such entries to be made in accordance with the terms and conditions of this Act. Persons entitled to make entry under this preference right will be permitted to do so at any time during the said period of thirty days following the opening, and at the expiration of that period any of said lands not so entered will come under the general provisions of this proclamation.

The purchaser of the improvements on lands situated within five

miles of the town of Pocatello will have no preference right of entry of the tract on which such improvements are situated, as the law provides that "all of said lands within five miles of the boundary line of the town of Pocatello shall be sold at public auction."

A PROCLAMATION.

Whereas, by Executive Order dated December 27, 1875, Section 7, township 15 south, range 2 east, San Bernardino Meridian, California, was with certain other tracts of land withdrawn from the public domain and reserved for the use of the Captain Grande band or Village of Mission Indians; and Preamble.

Whereas, the Commission appointed under the provisions of the Act of Congress approved January 12, 1891, entitled "An act for the relief of the Mission Indians in the State of California", (U. S. Statutes at Large, vol. 26, page 712) selected for the said Captain Grande band or village of Indians certain tracts of land and intentionally omitted and excluded from such selection the said section 7, township 15 south, range 2 east, and reported that the tracts thus omitted included the lands upon which were found the claims of Jacob Kühner and others; and Vol. 26, p. 712.

Whereas, the report and recommendations of the said Commission were approved by Executive Order dated December 29, 1891, which Order also directed that "All of the lands mentioned in said report are hereby withdrawn from settlement and entry until patents shall have issued for said selected reservations, and until the recommendations of said Commission shall be fully executed, and, by the proclamation of the President of the United States, the lands or any part thereof shall be restored to the public domain"; and

Whereas a patent was issued March 10, 1894, to the said Indians for the lands selected by the Commission as aforesaid and which patent also excluded the said Section 7, township 15 south, range 2 east; and

Whereas it appears that the said Jacob Kühner can not make the requisite filings on the land occupied by him until it shall have been formally restored to the public domain, and that no good reason appears to exist for the further reservation of the said section for the said band of Indians:

Land in California restored to public domain.

Now, therefore, I, THEODORE ROOSEVELT, President of the United States, by virtue of the power in me vested, do hereby declare and make known that the Executive Orders dated December 27, 1875 and December 29, 1891 are so far modified as to except from their provisions Section 7 of township 15 south, range 2 east, San Bernardino meridian, and the said section is hereby restored to the public domain.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA,

A PROCLAMATION.

Preamble.

Whereas, Many of the inhabitants of the Philippine Archipelago were in insurrection against the authority and sovereignty of the Kingdom of Spain at divers times from August, 1896, until the cession of the archipelago by that Kingdom to the United States of America, and since such cession many of the persons so engaged in insurrection have until recently resisted the authority and sovereignty of the United States; and

Whereas, The insurrection against the authority and sovereignty of the United States is now at an end, and peace has been established in all parts of the archipelago, except in the country inhabited by the Moro tribes, to which this proclamation does not apply; and

Whereas, During the course of the insurrection against the Kingdom of Spain and against the Government of the United States, persons engaged therein, or those in sympathy with and abetting them, committed many acts in violation of the laws of civilized warfare; but it is believed that such acts were generally committed in ignorance of those laws, and under orders issued by the civil or insurrectionary leaders; and

Whereas, It is deemed to be wise and humane, in accordance with the beneficent purposes of the Government of the United States towards the Filipino people, and conducive to peace, order, and loyalty among them, that the doers of such acts who have not already suffered punishment shall not be held criminally responsible, but shall be relieved from punishment for participation in these insurrections and for unlawful acts committed during the course thereof by a general amnesty and pardon;

Amnesty to Philippine insurrectionists.

Now, therefore, be it known that I, THEODORE ROOSEVELT, President of the United States of America, by virtue of the power and authority vested in me by the Constitution, do hereby proclaim and declare without reservation or condition, except as hereinafter provided, a full and complete pardon and amnesty to all persons in the Philippine Archipelago who have participated in the insurrections aforesaid or who have given aid and comfort to persons participating in said insurrections for the offenses of treason or sedition and for all offenses political in their character committed in the course of such insurrections pursuant to orders issued by the civil or military insurrectionary authorities, or which grew out of internal political feuds or dissensions, between Filipinos and Spaniards, or the Spanish authorities, or which resulted from internal political feuds or dissensions among the Filipinos themselves during either of said insurrections.

Exceptions.

Provided, however, That the pardon and amnesty hereby granted shall not include such persons committing crimes since May 1, 1902, in any province of the archipelago in which at the time civil government was established, nor shall it include such persons as have been

heretofore finally convicted of the crimes of murder, rape, arson or robbery, by any military or civil tribunal organized under the authority of Spain, or of the United States of America, but special application may be made to the proper authority for pardon by any person belonging to the exempted classes and such clemency as is consistent with humanity and justice will be liberally extended; and

Special application for pardon.

Further provided, That this amnesty and pardon shall not affect the title or right of the Government of the United States, or that of the Philippine Islands to any property or property rights heretofore used or appropriated by the military or civil authorities of the Government of the United States, or that of the Philippine Islands, organized under authority of the United States by way of confiscation or otherwise; and

Certain property rights, etc., not affected.

Provided further, that every person who shall seek to avail himself of this proclamation shall take and subscribe the following oath before any authority in the Philippine Archipelago authorized to administer oaths, namely:

Oath.

"I, ———, solemnly swear (or affirm) that I recognize and accept the supreme authority of the United States of America in the Philippine Islands and will maintain true faith and allegiance thereto; that I impose upon myself this obligation voluntarily without mental reservation or purpose of evasion. So help me God."

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

Preamble.

According to the yearly custom of our people, it falls upon the President at this season to appoint a day of festival and thanksgiving to God.

Over a century and a quarter has passed since this country took its place among the nations of the earth, and during that time we have had on the whole more to be thankful for than has fallen to the lot of any other people. Generation after generation has grown to manhood and passed away. Each has had to bear its peculiar burdens, each to face its special crises, and each has known years of grim trial, when the country was menaced by malice domestic or foreign levy, when the hand of the Lord was heavy upon it in drouth or flood or pestilence, when in bodily distress and anguish of soul it paid the penalty of folly and a froward heart. Nevertheless, decade by decade, we have struggled onward and upward; we now abundantly enjoy material well-being, and under the favor of the Most High we are striving earnestly to achieve moral and spiritual uplifting. The year that has just closed has been one of peace and of overflowing plenty. Rarely has any people enjoyed greater prosperity than we are now enjoying. For this we render heartfelt and solemn thanks to the Giver of Good; and we seek to praise Him not by words only but by

deeds, by the way in which we do our duty to ourselves and to our fellow men.

Now, therefore, I, THEODORE ROOSEVELT, President of the United States, do hereby designate as a day of general thanksgiving Thursday, the twenty-seventh of the coming November, and do recommend that throughout the land the people cease from their ordinary occupations, and in their several homes and places of worship render thanks unto Almighty God for the manifold blessings of the past year.

Thursday, November 27, 1902, set apart as a day of national thanksgiving.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington this 29th day of October, in the year of our Lord one thousand nine hundred and two and [SEAL.] of the independence of the United States the one hundred and twenty-seventh.

THEODORE ROOSEVELT

JOHN HAY

A PROCLAMATION BY THE PRESIDENT.

February 7, 1903.

Whereas, a proclamation was issued February 10, 1890, by the President making known and proclaiming the acceptance of the Sioux Act approved March 2, 1889 (25 Stats., 888) by the different bands of the Sioux Nation of Indians, and the consent thereto by them as required by the said act;

Preamble.
Vol. 26, p. 1554.
Vol. 26, p. 888.

And whereas, the proclamation contains the following clause:

That there is also reserved as aforesaid the following described tract within which the Cheyenne River Agency, school and certain other buildings are located, to wit: Commencing at a point in the center of the main channel of the Missouri River opposite Deep Creek, about three miles south of the Cheyenne River; thence due west five and one half miles; thence due north to the Cheyenne River; thence down said river to the center of the main channel thereof to a point in the center of the Missouri River due east or opposite the mouth of said Cheyenne River; thence down the center of the main channel of the Missouri River to the place of beginning:

Vol. 26, p. 1556.

And whereas, the government, agency and school buildings have been removed from the lands as above indicated to their present locations;

And whereas, there appears to be no reason for continuing the lands in a state of reservation, the same not being needed for Indian purposes;

Now, therefore, I, THEODORE ROOSEVELT, President of the United States, by virtue of the power in me vested do hereby declare the said lands subject to disposal under the provisions of the said act, except 160 acres of land to which the St. Johns Mission School has obtained title under the Sioux Act mentioned, in accordance with the provisions thereof.

Cheyenne River Agency lands restored to public domain.
Exception.
